

Setting up a Flexischools account

If you do not have a Flexischools account, simply go to www.flexischools.com.au or download the Flexischools App and click **Register**. You will be sent an email with further instructions on how to complete the registration.

You can activate a student card during the registration by entering your **Student Card Number** in the field as shown below.

Note: This is located below the barcode on your student card.

Adding card payments to an existing Flexischools account

If you already have a Flexischools account, you can link a student card to your account by adding the card number to a student's details under 'Students' in your Flexischools account.
