Year 12 Graduation

Last Monday evening we were able to farewell our Year 12 students and recognise their efforts and achievements over the final twelve months of their school life. The ceremony was very well attended by family and friends who no doubt were very proud to see them graduate.

While the list of achievements of our students are far too numerous to record in this newsletter, special mention must be made of Rachel Holland, who was awarded the Freshwater Community Bank Scholarship and Eleanor Brownlie, who was presented with the Caltex All-Rounder medal.

Remembrance Day

The school held a very solemn ceremony on Tuesday to commemorate the 96th anniversary of the Armistice which ended the First World War. Students leading the service recounted not only the

implications for those who served in this war and their families, but those who have served and been impacted upon in all arenas of conflict since.

The MCs for our ceremony were Ronahi Demirbag and Georgia Davies, with James Meadows playing *The Last Post* and *The Rouse*, and Gianni Cincotta-Lee attending to the lowering and raising of the flag. Thank you to all students involved and to Ms Kontrec for coordinating the ceremony.

ArtExpress Nominations

Congratulations to Georgia Brown, Eleanor Jones and Gabi Pickard who have all had their HSC Major Works from Visual Arts pre-selected for ArtExpress. This is the NSW Department of Education and Communities showcase of outstanding works by HSC students across the state. To have work selected is an outstanding achievement and augers well for their final results in that subject for the HSC. Congratulations to all – and to their teacher Ms Blundell for supporting them to achieve at that level.

Opera House Performance

Congratulations to Isabela Lawira-Fernandez who was selected to perform in the Concert Hall of the Sydney Opera House last Sunday. Isabela performed Beethoven's Sonata No 17 in D Minor, "*The Tempest*". This concert was performed to an audience of approximately 2500 people and reports from those in attendance indicate that Isabela's performance was flawless.

Congratulations to Isabela who no doubt enjoyed the opportunity of performing to such an audience in this magnificent venue.

Water Polo Success

Recently, a group of students from our campus were selected to play in a NBSC Water Polo team contesting the Northern Suburbs Interschools Intermediate Water Polo competition. The six students from Manly, Bridget Hudson, Claire Waddington, Grace Owen, Grace Underhill, Jess Wait and Rhiannon Marshall-Witte teamed up with three students from Mackellar Girls Campus to play in this competition, going through to defeat St Lukes 5-4 in the Grand Final.

This team is now the Northern Suburbs Interschools 'A' Champions. Congratulations.

Long Serving Religious Education Teacher Retires

On our assembly this week our staff and students recognised the support and dedication to our school of Mrs Sally Garman, who will be retiring after 16 years of service to our school. Mrs Garman has not only taught Special Religious Education in that time, but also volunteered in many other ways during the time when her daughter, Katie was enrolled at the school – especially with our Band programs. For a number of years Mrs Garman ran the biannual Trivia Night and coordinated the City to Surf volunteer program, both major fund raisers for band and P&C projects.

Mrs Garman had an outstanding rapport and level of trust, both with and for our students and she will be greatly missed. On behalf of the Manly Selective

Campus community, thank you Mrs Garman for what you have done for our school and more importantly, our students.

Fencing Program

As most would be aware, we have been lucky to have Ms Alex Andre coaching our students in the sport of Fencing for the vast majority of this year. In our initial year, we have had a significant number of students take up the opportunity and many have competed for our school in weekend competitions with considerable success. This program will continue in 2015, however, we will need to make some changes.

Ms Andre has been appointed as the National Sabre Coach for the Cadet and Junior Teams travelling to the Asian and World Championships in 2015, forcing a slight interruption to our coaching program in Term 1. For some forward planning, Ms Andre will only be available for coaching on 5th and 19th February and 12th and 26th March during Term 1. Further details will be made available early in the new year.

Year 8 ESSA Test

On Monday, our Year 8 students sat for the Essential Secondary Science Assessment (ESSA) test. In this test, students are required to demonstrate their:

- knowledge and understanding in Science
- skills in planning and conducting investigations, including a simulated experiment
- skills in understanding and responding to a range of scientific information in a variety of media
- skills in critical thinking and problem solving.

Results will be distributed to families in early March next year.

Principal

From The Deputy Principals

It has been an absolute pleasure to drop into Year 7 classrooms this week. Students continually demonstrate their almost insatiable capacity to learn in a variety of settings. The integration of technology in many classrooms has been a delight to witness and is a credit to our fabulous staff here at MSC.

Year 9 are recovering after their camp experience. One of the most rewarding statements for the organisers was to hear students saying "I could stay another night – this has been so much fun". It is a demanding task to coordinate more than 120

people for a number of days. Loud applause is awarded to the whole staff team who put this together.

Year 11/12 students who missed the parent information evening last week are reminded to call into Mrs Bannister's office to collect their folder of information. It holds a critical piece of information regarding HSC 2015 which needs to be signed for in due course.

Barbara Bannister
Deputy Principal Years 7, 9, 11

The Year 12 Graduation ceremony took place on Monday at Freshwater Senior Campus. This enjoyable event was an opportunity to celebrate the achievements of our students with their family and teachers. Once again the students looked most impressive in their formal attire! Thank you to the Year 11 parents who coordinated the afternoon tea, the Office Staff who ensured the ceremony went so smoothly and to all the Year 12 parents who have supported the students throughout this busy year. We look forward to seeing as many students as possible at the HSC Celebration Morning Tea from 10am on Thursday 18 December.

Year 10 sat for the Problem Challenge in the Hall on Wednesday this week. Thank you to Ms Carolan for coordinating this opportunity for students to demonstrate their ability to integrate knowledge and skills across a range of subjects to address a real-world problem. The busy few weeks continue with students completing end of year assessments and preparing for the optional Digital Learning Portfolio next Thursday, Friday and Monday of Week 9. Thank you to those parents who have volunteered to be part of this valuable opportunity for students to reflect on their learning as they prepare for Stage 6.

Congratulations to the Year 8 SRC members for coordinating the Year 8 Assembly on Thursday. Their creativity and compassion was very much appreciated by the other students in the year and their Year Adviser, Mrs Walker.

From Warringah Council:

The development of a multicultural strategy has been identified as a key priority in Council's Operational Plan for 2014-2015, which is informed by the long term vision for Warringah – the Community Strategic Plan.

If you could please take a moment of your busy day to complete this short survey:

<http://diversecommunity.questionpro.com/> to

help us better understand Warringah's Multicultural community. The results will help us identify issues and opportunities that will inform the development of our multicultural strategy 'Diverse Warringah'.

For more information, please contact Amanda Watkins amanda.watkins@warringah.nsw.gov.au 9942 2904.

You can also visit the Multicultural Project Page to learn more about the project - <http://yoursaywarringah.com.au/diverse-warringah-multicultural-strategy>

Year 10 Performance Assessment

It was my pleasure to mark the last assessment task for the Year 10 Elective Music class.

The performances included works from Australian artists and composers to reflect the mandatory

topic of the term. The program included beautiful Kats-Chernin works played on the piano and clarinet, Ross Edwards solos on the flute, Matt Corby and Nick Cave vocal performances and of course, the crowd favourite of "*Waltzing Matilda*". Needless to say, all audience members gushed praise for the group of performers.

I wish all the students well in their senior years of study and hope they all continue to delight their friends and family with their musical talent in the next few years and beyond.

Ms Howard

Year 11 Jindabyne Camp 2015

The Year 11 Camp is to be held at Jindabyne Sport and Recreation Centre from Monday 23 February to Friday 27 February 2015.

Jindabyne Sport and Recreation gives students the ultimate learning challenge by taking the curriculum OUT of the classroom. This camp will help students realise their potential in communication, decision-making, problem solving, resilience, team building and leadership. Students will experience a series of challenges and activities that encourage them to:

- overcome their fears and limitations
- challenge themselves
- grow in confidence and self-esteem
- get outside their comfort zone
- develop an appreciation for nature
- manage risk and learn to reflect
- develop team-building and leadership skills.

Many thanks to the students who have already paid their deposit. The deposit of \$250 is due to the office by Friday 14 November as this allows for organisation to start. The balance of \$325 must be paid by Monday 2 February. More information will be sent home early next year. Please contact Mrs Richards if you have any queries.

LOST PROPERTY

We have an amazing amount of lost property here at the front office. Could you please check with your child if they are missing any items of clothing, shoes etc. The lost property will be displayed in the foyer for the next week, after which time it will be forwarded to charity.

MLTA (Modern Languages Teacher Association of NSW) Short Film Competition

Congratulations to Yoon-A Nam, Betty Wang and Holly Blackwell (Year 10 Japanese) who attended the Dendy Cinema at Circular Quay today to watch the screening and finals competition of the MLTA Short Film Competition. Their brilliant film "The Unripe Apple" was entered and we congratulate them on achieving a "High Commendation" in the Stage 5 category.

ALUMNI UPDATE

Some readers may remember Max Illingworth who graduated in 2010. Max was a chess superstar at our school, and has gone on to greater achievements, recently winning the Greg Hjorth Memorial tournament in Melbourne with a 100% score. Max is just one competition away from becoming Australia's fifth Grandmaster. No wonder Manly won the all school's championship when Max was here.

Jazz Night Out at Lizottes

The four jazz bands were vibrant, sizzling hot and thoroughly entertaining last Saturday and conducted by our own jazz legend Craig Driscoll in front of a packed crowd of family and friends, all making it a truly memorable farewell to Lizottes. Craig's vision for the night is for the students to play in a professional jazz venue with a guest artist of high calibre. The students all jumped the bar to create a night of high quality jazz music with a wide range of repertoire, soloists and vocalists. The depth of the jazz groups was there for all to hear and more charts were prepared than we had time for.

It was wonderful for us all to hear guest artists Dale Barlow and his bass, drum and keyboard team. We delighted in hearing Craig on sax, absolutely brilliant. Mark on the trombone in SB was also a treat. Congratulations to all the band students with special thanks to the departing Year 12's from Jazz Orchestra who wowed us once again on this occasion and who we will dearly miss.

Thanks to the very enthusiastic audience throughout and to all parents involved in the smooth running of the night (transporting gear, donating wine, selling raffle tickets and more). Congratulations to Sally and Paul Matthews for winning the wine, which was attractively, (if maybe a little inappropriately!) packaged in a bassinet by Allison! Cheers!

Jazz Orchestra at Year 12 Graduation

Backing up for more on the following Monday was JO who provided the music at the Year 12 Graduation ceremony at Freshwater campus. Special soloists were Rachel Holland, Raina Robertson and Ella Seabrook with Craig Driscoll, Nicole Munnelly and Tom Dowse. Thanks to you all, many of you playing in your graduation gowns and formal suits - looking a million dollars and sounding great too.

NOVEMBER

Toys 'n' Tucker, an initiative of Anglicare Sydney, aims to share the joy of Christmas by providing food and gifts for those who would otherwise go without.

Our SRC has a Christmas tree in the foyer, with gift boxes underneath; you'll find one for each of the pastoral care houses.

All donations go straight to the Anglicare Warehouse where they are sorted and packed, ready to be distributed. The sorting and packing process is carried out by teams of dedicated volunteers from churches, schools and businesses. The food hampers and gift parcels are then distributed through Anglicare's Emergency Relief and Family Support programs which assist thousands in the community who would otherwise go without.

What can be donated:

Christmas food for festive meals
Long life custard
Pasta sauce
Tinned tuna/salmon/ham
Christmas cake & puddings
Small packs of biscuits
Small packs of lollies

Gifts for babies, children and teenagers
Toys for all ages
Gift cards
Toiletry gift packs for teenagers
Sports equipment
Family games
Books for all ages

All donations are to be new and unused, thank you!
