4 November 2016 - Newsletter No 34

From the Principal

Selective High Schools Principal Conference

This week, I have been in attendance at the NSW Selective High Schools Principal's Conference. During this year's conference, we had the opportunity to give initial feedback into the review of the Department of Education Gifted and Talented Education policy and procedure documents. This review will take place during 2017, however, at the conference we were given time to annotate various aspects of the policies and procedures so that initial directions of the review could be developed. We look forward to the opportunity of providing further input to this review.

In addition to this, we heard from doctoral research student, Ruth Phillips and some of the findings of her research into underachieving gifted students. Much of what was presented by Ms Phillips resonated strongly amongst each of the Principals in attendance, each admitting that we have seen many of the traits presented in our own schools. Our undertaking being, that once these students have been identified, to differentiate the curriculum sufficiently to support their needs.

Dr Jane Hunter, who has worked closely with some of our students and staff in her work on Technology and the High Possibility Classroom (HPC), presented ideas for the practical applications of the concepts of HPCs, particularly in relation to STEM (Science, Technology, Engineering and Maths) education and in Project Based Learning. Part of Dr Hunter's presentation was focused on the work that she had done in our very own school which contributed to our decision to implement strategies for authentic, cross curricular project learning into our Stage 4 classes.

Mr Jeff Bruce, a former Director, Public Schools NSW presented details on how Principals can best support staff in our schools to gain Board of Teaching and Educational Standards (BOSTES) accreditation at the levels of Higher Ability and Lead teacher. This session was very valuable as we have a number of staff at Manly Campus seeking these higher levels of accreditation.

Ms Hayley Russell from the Department of Education Futures Learning Unit challenged Principals to engage in a *Design Thinking* process to support the learning and teaching needs of students and staff in schools. We were urged to explore the impact of spaces on learning, to identify different ways of learning, investigate a range of learning spaces and develop a plan for redesigning spaces within our own educational settings. Again, we have moved along this way to some extent with the support of our P&C Association who assisted in the refurbishment of one of our learning spaces through the Innovation Grant in 2015.

This again was a truly valuable learning experience for each of the Principals in attendance and provided us with challenges to further improve the learning opportunities for the students in our schools.

Year 7 Debaters Support Northern Sydney Primary School Representative Teams

Once again this year, our students have been invited to support the learning of students in primary schools by working with the coaches of the Northern Sydney Region Primary Schools Debating Teams. On Tuesday, Year 7 students Jack Li, Jamie Palangio, Bea McGuire and Vivienne Paduch spent much of the day at Manly Vale Primary School participating in workshops with the primary school students and their coaches before participating in a debate with the younger students.

P&C website: www.manlypandc.org.au

Presenting the affirmative case in a debate on whether or not extra-curricular programs play an important role in schools, our students won a closely contested debate in front of a large audience at Manly Vale Primary.

We are very proud to support the Primary Schools Debating Program and will send further Year 7 teams in the coming two weeks.

Year 8 Students Support Bushlink Program

For many years now, our school has supported the Northside Enterprises, *Bushlink* program. This program employs adults with an intellectual disability to carry out environmental projects with a focus on bush regeneration, gardening and grounds maintenance work. Much of the work that *Bushlink* has performed in our school has been in the area at the back of our playing field and relates to the regeneration of the bushland to its natural habitat. They have also worked at maintaining the garden area along the front of our hall and in planting native seedlings in the garden areas in the main quad.

On Monday, we had approximately 25 Year 8 students volunteer to work with the *Bushlink* staff at various times throughout the day in the bush regeneration area. The next group of 25 Year 8 students will assist on Monday 7 November. This is a wonderful opportunity for our students to provide additional support for *Bushlink* and work closely with an outstanding group of young men and women. This will now be an ongoing commitment of our Year 8 *giving back to the community* program to provide real and meaningful assistance to this innovative employment model.

Senior Jazz Ensemble

Congratulations to our senior Jazz Ensemble who had the pleasure of being invited to perform at a charity event hosted by Mrs Kerryn Baird the wife of NSW Premier, Mr Mike Baird MP, at the Manly Pacific Hotel on Tuesday. This was a great honour for our students and is testament to the quality of this ensemble. With the HSC in progress, many of our Year 12 students who would normally perform in this ensemble were unavailable, however, it was wonderful to see former student Isaac Arnold return, giving of his time to support the group.

Tony Rudd Principal

From the Deputy Principals

Congratulations to all Year 12 students on the completion of the HSC. I'd also like to take this opportunity to thank our Presiding Officer, Ms de Podolinsky, and her terrific team of invigilators for their dedication and support over the past few weeks. Your caring manner and excellent organisation helped our students thrive during this demanding time. The Year 12 Graduation will be held on Monday 14 November from 3:45pm at Freshwater Senior Campus. Students are requested to arrive by 3:45pm so that we can start the ceremony promptly at 4:00pm. After the ceremony, parents, students and teachers are invited to stay for the afternoon tea, kindly catered for by Year 11 parents, before Year 12 depart for their formal. All students should have their sign-out completed by next Friday. Please see Mrs Whalan or the Front Office you have do not have a Leavers Card.

Year 10 students completed their Problem
Challenge on Wednesday and are busy preparing
for their Mathematics and Geography or History
examinations in the Hall on Tuesday next week.
This year over 60 students have signed up for the
Digital Learning Portfolio presentations. Thank
you to the Year 10 parents who have kindly
volunteered to be involved, however, we still
need a number of volunteers who are able to give
either one day or half a day of their time on
Monday 21 November and Tuesday 22 November.
If you are available and would like to be involved,
please email me on
catherine.whalan@det.nsw.edu.au.

Year 8 Technology students have enjoyed cooking for their parents and guests for their Food Critic task. Thank you to Ms Ellis who organised these events and to the parents involved who were able to give quality feedback to the students on the day.

Tonight I'm looking forward to attending the Strings Soiree at Mosman Art Gallery from 7pm. This event is one of the highlights of the year and I'd encourage anyone who is able to attend to come along and enjoy the amazing talent of our Strings and Chamber Orchestra.

Cath Whalan Deputy Principal Years 8, 10, 12

On Monday we were fortunate to have Professor Gordian Fulde speak to our Year 9 students about the effects of alcohol and drugs. For someone so highly acclaimed and respected in the world of emergency medicine, he is remarkably down to earth and a genuinely delightful person. Within minutes you can sense that he has a real passion, not only for emergency medicine, but for empowering and encouraging young people to make healthy choices. In PDHPE, Year 9 students will be developing a Health Promotion Campaign to encourage young people to make wise decisions about drug use. Students had the opportunity to ask Professor Fulde questions to help them develop this campaign.

Last night I had the pleasure of listening to the Year 9 Elective Music students perform Jazz pieces for their final assessment task. The talent, ability and confidence of these students were most impressive. Congratulations to all performers and to Ms Leviton for her organisation of such an enjoyable evening and wonderful opportunity for the students to perform to an authentic audience as part of their assessment.

It was the last PAL (Peer Academic Leaders) session this week. Year 7 students presented a 2 minute reflection on what they had learnt and how they have applied this knowledge at school. Students spoke about how they have implemented time management skills, beaten procrastination, used chunking and set goals. Thank you to the Year 10 Peer Academic leaders for delivering such a worthwhile program and to Ms Tye and Ms Rixon for their coordination. Mentor teachers have been assigned to all Year 12, 2017 students. Mentor teachers provide a further level of support throughout the HSC year. The first mentor meeting will take place next week and students are encouraged to speak to their mentor teacher at any time throughout the year if they need support or advice.

Today the MSC zero robotics team, comprised of two Year 9 students and seven Year 11 students attended a workshop at University of Sydney.

The workshop developed coding and strategic skills to assist the team in the next round of the zero robotics competition, an international competition involving 144 teams from Russia, North America, Europe and Australia. In the virtual round our students will have the opportunity to form international alliances to compete towards encoding robots (SPHERES) currently aboard the International Space Station.

Students in the team: Elden Loomes, Kane Jackson, Tom Dunbavan, Tom Fitzgerald, Laura O'Neil, Liam Trett, George Morgan, Jonathan Barrett and Ryan Foo.

Kathy O'Sullivan Deputy Principal Years 7, 9, 11

Ms Legg's Year 12 Physics Class

2016 Australian National Chemistry Quiz

1827 Year 11 students across NSW attempted this prestigious competition.

85 Year 11 Chemistry students at MSC attempted the quiz with 52 receiving awards (names below). The average score at MSC was higher than both the NSW and the Australian averages for Year 11 students.

<u>High Distinction (12)</u> – Matthew Allan, Alexander Hobsbawn, Morgan Kelly, Kevin Li, George Morgan, Samir Mosahebi, Laura O'Neill, Brendon O'Young, Rebecca Thompson, Brandon Wong, Henry Yan, Wilson Zhao

<u>Distinction (20)</u> – Jonathan Barrett, Amy Bentley, Will Chaffers, Giles Drake, Callum Evans, Ryan Foo, Hinano Fujisaki, Finlay Gibson-Healey, Samuel Hobson, Isobel Klein, Adam Loader, Krish Mirchandani, Ellen Mitchell, Anika Moller, Meet Patel, Olga Popovic, Stephen Sung, Tyler Van Leeuwen, Maya Yaffe, Jason Zhu

<u>Credit (20)</u> – Dominic Agius, Lily Archibald, Frank Chan, Jeremy Chiu, Dominic Collins, Felix Lempriere, Thomas Fitzgerald, John Gaul, Helen Gong, Vincent Ho, Sam Kelly, Aaron Lambert, Andrew McHale, Jessica Moore, Ewan Nicholl, Alan Shen, Andreea Vissarion, Daniel Ward, Sophie Yang, James Zhou

Congratulations to all students for their efforts and their outstanding results.

Vicki Maggs Head Teacher Science

Careers Matters

Deb Rixon (Career's Adviser Manly Selective Campus) can be contacted in the Career's office. Phone 99053982/email Deborah.Rixon@det.nsw.edu.au

Outside the Career's office there is a mailbox where students can return forms/place written messages etc and a large whiteboard where messages can be left, if the office is unattended.

MSC has a Careers website:

www.manlyselectivecampuscareers.com.

Students can access this site through the link on the school's website. Students and parents can explore the large amount of Career's information on this site.

The Career's department assists students with subject selection/finding Work Experience placements/resume writing/applications for university/completing scholarship applications. Book a one on one interview.

Year 10 Work Experience/ABW and Volunteering Booklets

All Work Experience forms and permission notes for ABW should have been returned by now to the Career's office.

Additionally, the \$80 payment for ABW is required to the front office.

Additionally, Year 10 volunteering hours should have been signed off and booklets returned.

Courses and Workshops for Students

Free ACE the HSC seminars for parents and students at Macquarie University Macquarie University is hosting a series of seminars for Year 11/12 students and parents (10am-12:30pm) on Sunday 13th November. Topics include: Stress-Free HSC, HSC English presentation, exam/study strategies and parent information. Entry is free, but due to limited places, registration is essential.

RSVP https://hscintheholidays.com.au or call 1300 677 336.

AFTRS BA Screen - Applications Close 30

November The AFTRS Bachelor of Arts Screen: Production is designed for students with a passion for storytelling and a commitment to a career in the screen industries. You'll graduate with a broad knowledge and skills and an adaptable, forward-looking approach. Fee Help approved. Merit selected, no ATAR required. Applications Close 30 November 2016. Details: https://goo.gl/sr3qXH

Expos and Forums

Careers in Language Fair: Japanese, Wednesday November 9

The Careers in Language Fair is an annual event that gathers a wide range of speakers who have used their language skills in diverse ways. Our speakers will demonstrate just how far you can go with language skills in any industry, be it creative, traditional, entrepreneurial, or international. For more information, visit: http://kulturo-kolektiva.com.au/careersfair/

Jobs and Career Opportunities for Students
BiG Day In @ UTS - 28 March 2017 BiG Day In IT
Careers Conference for students Yr 9-12 @ UTS on
Tuesday 28 March 2017 – Speakers incl. Animal
Logic, IBM, Technology One, WiseTech Global,
Westpac, TCS & more talking about their careers
& the future of technology. Loads of cool
exhibitors including JMC Academy, Westpac, IBM,
Digital Careers, & loads more. Tickets \$10 for
students http://www.thebigdayin.com.au

Resources for Students - FREE

UNIQUE & MODERN CAREERS TOOL FOR STUDENTS & CAREER ADVISORS The Footnotes offers a unique career and study service to students and careers advisors. Trial the tool that includes a Course Finder (with over 6200 courses featured nationally) and its Job Finder (allowing students to find volunteer, casual & work experience opportunities)- all combined with case study advice and stories. More information herehttp://thefootnotes.com.au/school

Monday 14 November 2016

Freshwater Senior Campus

Please be seated by 3:45pm

HSIE Report Term 4

In the last fortnight, the faculty has had excursions for HSC classes in both Economics and Society & Culture and concluded the ASX Schools Sharemarket Game.

The Economics students made their way to the NSW Treasury last week, where they heard from a number of economists on a range of topics including:

- the role of economics in government policy
- the importance of environmental and social issues in economies
- the NSW budget
- household and labour market trends, and
- the application of economics to human behaviour.

To conclude the day, students then visited the Reserve Bank of Australia to hear about the applications of monetary policy and the evolution of Australian currency. Overall, the day's activities provided a good foundation on the applications of economics in our society that leads well into the start of the HSC course.

This week the Society & Culture students made their way to a workshop to assist them in the development of their Personal Interest Projects (PIPs). The PIP is the major work all students must complete for their HSC, making up 40% of their final examination mark. This course allowed the students to get additional insight into how to commence their planning, undertake their research and develop their final submission. With such an uninhibited range of potential research topics they can undertake, this day provided the students with the direction and focus to begin their challenging and exciting projects.

And at assembly this week, the top performing students in the ASX Schools Sharemarket Game received certificates for their gains over the 3-month period. Megan Moshovelis from Year 9 placed first in the school with a return of 4.5% over the period. Tim Brand of Year 12 placed second with a gain of 3.4% with Kleo Rivera of Year 11 in third place making 3.35%. Well done to all Commerce, Economics and Business Studies students for participating in the game and learning the potential joy and despair of investing. This experience has certainly given them more insight into potential future investment decisions, whilst enjoying a bit of fun competition with their friends in the process.

Jamie Kay HT HSIE

Library Technology News

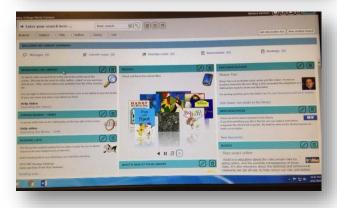

Wednesday the 2 of November 2016 saw the start of a new era in Library Technology.

OASIS the old technology which began in the era of MS DOS in the 1980s has been used by the Department of Education for over 35 years.

Our school closed OASIS on Monday 31 October - the last screen can be seen below.

Then the momentous event of going live with OLIVER SYSTEM the new Library Technology occurred at noon on Wednesday. This technology will enhance students research techniques and bring electronic resources at a touch of a keyboard.

Barbara Harrison, Heather Crawford & Bev Shoebridge

FROM THE ARCHIVES

Continuing our articles from the 1974 edition of the Pines magazine, it is thought-provoking to read the library report. As we contemplate the requirements for our own forthcoming library extension and refurbishment, it is interesting to read what was considered state-of-the art 42 years ago, and to wonder what the future will hold in store in another four decades.

FROM THE LIBRARY (report by T. Hobbs):
This has been the first year of 'flexible
programing' in the library. The intention is to
make the library available for more people than
the old timetabled arrangement, and in theory,
many classes will be booked in for guided study in
the library's free periods each week. Such periods
of purposeful individual or group study are
obviously an opportunity for real education to
take place.

The library area is, of course, far too small for a school with the numbers we have. Thus, while on the one hand I regret that teachers do not book their classes to study in the library nearly as often as I would wish, on the other it is obvious that if teachers in all subject tried to organise their groups to use the reading room fully, there would not be space for them to do so, even once a fortnight.

Videoptape has increased a great deal during 1974 and even with the annexe occupied most of the day, we quite often need to use the small recording room for a group to watch a program.

All these factors raise the question of what sort of library the school should be planning for the future. Ideally a large building with classroom, reading rooms and an audio-visual area, with greatly expanded technical materials would be desirable.

A highlight was our visit to Hurlstone
Agricultural High School, a departmental school
like our own, where all the facilities mentioned in
the preceding paragraph are provided for fewer
than 800 students. Libraries like this are
gradually being built, but we may wait many
years. Meanwhile we

the students who should be able to use them.

I am obliged to point out these inadequacies, but in many ways the library is fortunate. Mr Outterside's understanding of its needs and problems and his immediate response whenever action can bring improvement has been most encouraging. Mrs Jones keeps the audio-visual program going with enthusiasm and skill and she and Mrs West make day to day organisation pleasant and efficient. The student librarians are all alert and helpful under the guidance of P Massey, 6th form, our invaluable head library prefect.

Bands of Manly Selective Campus

Annual Orchestral Soiree, Friday 4 November 7pm at the Mosman Art Gallery

All families and friends of MSC are invited to our annual strings soiree featuring String Ensemble

conducted by the wonderfully experienced and enthusiastic Brain Buggy and Chamber Orchestra conducted by the very talented Liz Scott. The venue is intimate and the music is beautiful. This is a chance to farewell our wonderful Year 12 strings students.

No bookings are required, but there will be a small entrance fee on the night.

MSC Jazz Night 2016. Saturday 12 November, 6.30pm till late at the The Show Room @ Dee Why

We are looking forward to a fantastic night next Friday. The show is a sell-out and our wonderful jazz bands will be performing throughout the night in front of an audience of over 200 people! Also on stage will be special guest Nic Jeffries, a professional and very talented Australian Jazz saxophonist and vocalist - a treat for our students and audience alike!

Any queries about the night please contact Antje Kaldor antjekaldor@yahoo.com (0410 539 399) or Helen Dransfield

helendransfield@optusnet.com.au (0414 702 259).

Band Meeting and AGM in band room, Monday 7 November 8pm

Please consider joining the wonderful group of 20+ parents who make up the band committee. The band committee needs the involvement of parents from the Years 7-10 age groups as parents from senior years are moving on.

Helping with some of the tasks involved in band events is a very *rewarding and fun way* of being involved in your child's school, meeting other parents and getting to know your child's peers.

Most band committee members are working parents so there is no expectation that you are free mid-week. Meet one night per term. *There is a role for everyone.*

Some jobs are very short term and intensive, others require a small weekly input but on a regular basis. To find out more, please call Sarah on 0400 913 133.

Melbourne Cup Charity Event

Thank you to Craig and jazz performers Katie, Ben, Sam, Yelson and Issac for playing to an appreciative audience at a charity event on Tuesday hosted by Mrs Baird.

Band Diary Dates

Term 4

Orchestral Soiree- Fri 4 Nov - Mosman Art Gallery: CO/SE

International Band Tour Information night: 1 Nov, 7:30pm, MSC.

AGM and Term 4 Band Meeting - Mon 7 Nov-Band room, 8pm: All welcome

Jazz Night Out rehearsal – Wed 9 Nov- Band Room: JO

Jazz Night Out- Sat 12 Nov – Events at Dee Why, 6:30pm: SwB/SB/BB/JO

Year 12 Graduation- Mon 14 Nov - Freshwater campus gym: JO

Junior Band Regional Tour - Mon 28 Nov- Thurs 1

Dec: CB/SB/SwB

Year 7 Orientation Day - Tues 6 Dec- MSC Hall: WE/SE

Big Band Bash # 2 – Tues 13 Dec- MSC: All ensembles

Presentation night - Mon 12 Dec - Freshwater campus gym: SWO

Performance at Ms Legg's wedding –

Fri 16 Dec: JO (TBA)

SECOND HAND UNIFORMS

LOCATED UNDER THE TAS BLOCK

Open first Tuesdays of the month 8.15-9.30am & third Thursdays of the month 1.30-2.30pm

Next open Thursday 17 November @1.30pm

Co-ordinators Marg Martin & Chris Schaller Please contact us if you would like to place an order:

margaret.martin@optusnet.com.au or christins@ozemail.com.au

Donations of washed good quality uniforms are most welcome and can be left at the office.

All proceeds go the P&C for school improvement projects.

We are seeking volunteers to help in the shop. If you are interested please contact us.

For second hand band blazers (buy & sell) please contact Dianne Turner on moogiet@optusnet.com.au and new and pre-loved band polo shirts please contact Kim Luong on kimmanlyband@gmail.com

BILGOLA PLATEAU PUBLIC SCHOOL
