## From the Principal

### Covered Walkways

After many months of negotiations with the Department of Education and building contractors, it appears that we may finally see some progress towards the construction of some covered walkways around the school. With the support of Mr David Nord and the P&C, we have been looking at having an awning constructed in the main quadrangle area covering the entries to the boy's and girl's toilets as well as the bubbler room. This awning will stretch from the entry to the administration building to the overhead walkway leading to the Maths block. In addition, on the other side of that overhead walkway, we are building a covered walkway extending to the TAS block with an offshoot to the stairwell into Social Sciences.

With these two additions, students will be able to access any area of the school completely under cover, whereas at present, on wet days students have no option but to walk through the rain.

I will be meeting with Department of Education officials, project managers and contractors on Wednesday next week to set dates and timelines for construction. I am hoping that we might even see the project commenced in the coming April school holidays.

### NSW Combined High Schools Swimming

We have a large contingent of swimmers competing at the NSW Combined High Schools Swimming Championships over the next four days. Congratulations to all students who have been selected through their outstanding performances at the Northern Sydney Regional Carnival and best wishes for continued success at State level.

### Sydney University Academic Excellence Award

On Tuesday 5 April, Year 11 student Maya Yaffe will attend a function at Sydney University where she will be formally recognised and presented with the University of Sydney's Year 10 Academic Excellence Award. This award was announced to our community at Presentation Night last year, but this ceremony will see Maya's achievements recognised by academic staff from the University.

We once again congratulate Maya and wish her well for the ceremony of Tuesday evening.

Maya Yaffe

### Uniform

I would just like to reinforce last week's message about students wearing correct uniform to school. We are still seeing some students wearing inappropriate items of clothing, particularly jumpers or jackets and pants. Please refer to details outlined last week and ensure that all students are in correct uniform.

Tony Rudd  
Principal

## From the Deputy Principals

Year 12 are progressing well through their Half Yearly examinations, with most students more than half way through their examinations. These formal assessment periods give the students practice in the examination environment so that they are well prepared for the HSC in October. As always their maturity and preparation are a credit to them and their teachers. Results and feedback from these assessments will be provided early next term to assist students with their future learning. The Year 12 Parent / Teacher night, on Thursday May 19, will also provide an opportunity for parents and students to meet with teachers and discuss further strategies to ensure students are working towards their personal best.

Year 10 parents and students are reminded that the Year 11 2016 subject selection information evening will be held on Monday 16 May at 6:30pm in the Hall. The evening will start with a general information session on HSC, ATAR and UAC then students will have an opportunity to speak with representatives from all Faculties about the courses they offer in Stage 6. This will assist in the preparation for life after school and the journey towards university courses and is essential for defining the curriculum offerings that suit the majority of students in Year 11 2017. After the evening, an online subject selection choice will need to be completed by every student. This information is then used by the curriculum team to build the senior school timetable for 2017.

Year 8 and Year 7 students completed a Choice Theory Needs questionnaire in class today. The questionnaire involved rating 25 questions designed to allow individual students to reflect on their personal needs for Love & Belonging, Survival, Fun & Learning, Freedom & Choice and Power & Mastery. The results will be used to provide an overview of students' needs for staff at our School Development Day in Term 2 and help us identify if the learning experiences designed by the teachers effectively cater for these needs.

All parents are encouraged to read the Parent Coaching flyer in this Weekly Pines. Jacqui's very worthwhile workshops complement the wellbeing programs at the school and provide practical strategies for parents to coach their teenagers through this important stage of their life. The next Level 1 workshop is being held on Thursday 5 May and the Level 2 workshops are scheduled for Monday May 2 and Thursday June 2. If you would

like more information about these workshops, please contact Jacqui or the school.

Cath Whalan  
Deputy Principal Years 8, 10, 12

Last Thursday evening I had the pleasure of listening to the Year 9 Elective Music students perform at the Autumn Soiree. The talent, ability and confidence of these students were most impressive. Congratulations to all performers and to Ms Leviton for her organisation of such an enjoyable evening and wonderful opportunity for the students to perform to an authentic audience as part of their assessment. It was wonderful to see so many families on the eve of the long weekend at this event.

At Manly Campus we are very proud of our Duke of Edinburgh Award program and each year the program grows in popularity. Students have truly embraced the program that challenges them both mentally and physically with activities that include overnight adventurous hikes, volunteering within their local community, developing new skills to assist their self-growth and participating in regular physical activity. Congratulations to Year 11 students Fraser Hall, Coleen Leung and Maya Yaffe who have received the Silver Award of the Duke of Edinburgh's International Award and to Jason Zhu and Varun Rao who has received the Bronze Award of the Duke of Edinburgh's International Award. Another thirty Year 9 students set off this weekend on a practice run for their Bronze Award expedition. We wish them all the best and hope for clear skies and sunshine.

NAPLAN testing will be conducted for Years 7 and 9 on May 10, 11 and 12. Detailed arrangements will be distributed the first day of Term 2.

Kathy O'Sullivan  
Deputy Principal Years 7, 9, 11

### Proposed Italy & Germany History Tour 2017.

Details at the back of the newsletter.

## CHS Girls Knockout Soccer

Congratulations to the Girls' CHS Knockout Soccer team. Last week the girls played Pennant Hills High School in Round 2 of the competition and they won the game with a score of 6/2!

Goals were scored by Lucy Coleman, Zoe Halpin, Claire Waddington and Katie Michelakis. The team is made up of girls from each year group, Year 7 through to Year 12, so it's exciting that we continue to build on our talents. The next game will be early Term 2 against Cheltenham Girls' High School.

## From the Archives

Every week we will bring you an item from a past issue of the yearly Pines Magazine – this year, 1959. As a matter of interest, these are the subjects that were offered at Manly in 1959 for the Leaving Certificate; English, Latin, French, German, Maths I, Maths II, General Maths, Modern History, Ancient History, Physics, Chemistry, Geography, Economics, Accountancy, Woodwork, Metalwork, Geology, Music and Art.

This week we are present 2 literary submissions.

### **TV or not TV**

*T.V. or not T.V. – that is the question engaging the attention of the ‘have-nots’ in family council today.*

*Should the state of the bank balance be satisfactory, parents consider the next bugbear – will TV be detrimental or beneficial to family life? Programmes must be studied.*

*Now, programmes may be divided into two classes – entertainment and education (although the latter terrible twin must never be called so if she is to appeal to the viewer). A balance of both can bring pleasure as well as culture into the home.*

*A study of present day programmes reveals that all tastes are well catered for. So to ensure that television in the home is on the ‘beneficial’ track, it is only necessary to control the choice of programme and the extent of viewing time.*

*Only!?!?! This is the task that daunts most parents. A fear that time for reading, hobbies, sport, sleep will be curtailed, encourages most parents to postpone what they regard as the ‘evil day’.*

*Speaking of evil days, a favourite parental brush-off to the child who persistently asks ‘When are we going to have a T.V. set?’ is ‘Wait till the Leaving (or Intermediate) Certificate Examination is over.’ Some parents may even insist that at first a pleasing result must be attained.*

*Here’s a hint to T.V. retailers, which I am sure could be taken up them most profitably; Watch those examination result lists – then POUNCE!*

- G. Thomas, 5A

### **Ye Ancient Sportsmaster**

*It is an ancient sportsmaster,  
And he stoppeth one of three.  
‘By thy short red hair and glittering eye,  
Now wherefore stopp’st thou me?’*

*He grabbed me with his brawny hand  
And bellowed in my ear –  
‘If you want to stay out of hospital, son,  
Don’t forget your P.E. gear.’*

*And now in the interests of my health,  
And to show that I’m no cad,  
The P.E. gear is ne’er forgot  
By this sad and wiser lad.*

Bruce Gillespie, 1A

## Parent Coaching Workshop

Term 2: Thursday 5<sup>th</sup> May 9am – 3pm

Please book at:

<https://jacquipollockparentworkshop.eventbrite.com.au>

For more information, please see the flyer attached to the newsletter.

# Parent Coaching Workshops

As part of our welfare curriculum at Manly, we support our students with the skills to stay **resilient** and **bounce back** from challenges. Following the Introduction talk by Jacqui Pollock on Parent Coaching, we are pleased to support our families with workshops to be run during school hours in the common room for up to 20 parents.

- Improve your teen's growing emotional intelligence & reflect on your own skills too
- Bring out the best in yourself and each of your unique children
- Become calmer and more confident in your response to challenges
- Learn how to coach your teen in the game of life

**Parent Coaching Level One** : Personal Resourcefulness for parents, part one of "How to Coach your teen in the game of life": respect, listening, understanding. Coaching skills. Introduction to personality types.

**Parent Coaching Level Two** : Feedback and check in, Part two : making agreements with teens, consequences, challenging conversations, support vs. rescue, nurturing responsibility and independence.

Jacqui provides coaching and workshops for Leaders, Educators, Principals and Parents. She consults to Dept. of Education in NSW, SA and Victoria. Jacqui is co-author of the recently published book "Knowing Me, Knowing them - aha" which helps parents explore their parenting personality and how it impacts their family.

And she's an ex Manly Selective parent who's daughter graduated last year.

## Proposed Italy & Germany History Tour

The following is a preliminary program and costing for the proposed 2017 Italy & Germany tour.

The tour is open to any students in Years 10 or 11 this year and covers the core studies in HSC Ancient History (Pompeii & Herculaneum) and Modern History (German personalities).

We are awaiting a second quote on the itinerary for comparison, both of which will be reviewed in May when airfares are released. Final itinerary and pricing may be affected by changes in exchange rates, airfares, local conditions and other relevant factors.

Once a tour provider has been chosen we will hold an information evening for anyone interested in attending.

A more detailed breakdown of the tour can be provided by Mr Kay.

**Proposed tour dates** 07/04/2017 – 23/04/2017

**Tour duration** 17 Days

**Organising teacher** Jamie Kay
