## From the Principal

### Shizuok Fuji High School

On Monday and Tuesday, it was our pleasure to host students and staff from Shizuok Fuji High School from Japan. Students attended classes with host students from our school, learning a little more about Australian schools, culture and language. This was also a valuable learning experience for our elective Japanese class students who made the most of the opportunity to converse with our visitors in Japanese to further enhance their oral skills. There is no doubting that, as indicated by the fond farewells, that lasting friendships were made in this short visit and students will be keeping in contact in the future.

As a side note, when asked of their experience at Manly and specifically to describe the difference in learning here compared to their learning at home, the students from Shizuok Fuji School noted that our students had far more access to technology and used computers to a much greater extent to students in Japan.

### HSC Drama

Congratulations to our Year 12 Drama students who, with their performances for HSC markers on Tuesday, have now completed 60% of their HSC examination in that subject. For many weeks prior to the examination, students were refining and

rehearsing their group performances and monologues with the support of Ms Joyce and Ms Carolan, often late into the evening and on weekends. From all reports, this dedication and commitment to doing well was appreciated by the markers who, while not able to give too much away regarding the performances, were certainly positive in referring of our students and their experience at our school.

### Student Executive Speeches

On Wednesday, staff and students had the pleasure of hearing our prospective school leaders deliver speeches to support their bid to be elected into the senior student executive positions for the 2017 school year. What was clearly evident from each of the 10 students standing, was their absolute passion for our school and commitment to ensuring that the ethos of the school continues to build in a positive vein. I have no doubt that with the calibre of students willing to take on these roles that our school is in very good hands

### Science Techno Museum

Today, our school was proud to host the *ScienceTechno Museum* displays from all participating campuses across Northern Beaches Secondary College. *ScienceTechno* is a Year 8 investigative learning project undertaken by all Year 8 students as part of a cross College program. The display at our school today provided opportunity for our college community to view the very best of the displays from each of the four campuses. Displays were judged by those in attendance and recognition certificates presented to students whose displays had been adjudged as the best on show.

Congratulations to all students for their work in researching and presenting these works.

Science Techno Museum

### Robotics State Tournament

Our robotics team, with the support of their mentor and parent of the school Mr Carlo Manfredini, are competing at the Robotics State Cup at the University of NSW today and tomorrow. Interest in robotics has certainly gained significant momentum in the school under the stewardship of Mr Manfredini with students developing not only skills in robotics and the computer programming of their robots, but also in problems solving, teamwork, communication and many of the other contemporary skills that are so important for students' learning.

### International Sporting Achievements

Congratulations to two former students who have had significant success on the international sporting stage in recent weeks. Of course, we have all been following the feats of Lisa Darmanin at the Olympics and congratulate her on achieving a Silver medal in the Nacra 17 Sailing class. On Wednesday it was announced that Reece Hodge, who graduated from Manly Selective Campus in 2012 has been named on the bench for the Wallabies Bledisloe Cup test match against the All Blacks in Wellington this weekend. Should Reece take the field, and all indications are that he will, he will become Wallaby Number 897. This follows an outstanding Super Rugby season with the Melbourne Rebels. Congratulations to Reece on his selection.

## From the Deputy Principals

Year 12 Drama, Extension 2 English and Design and Technology students are one step closer to completing their HSC with the HSC marking of Drama Performances and the submission of the English Major Works and Design and Technology Projects. Tomorrow students studying Italian Beginners, German Beginners, Chinese Heritage and Japanese Heritage have their HSC Oral Examinations – buona fortuna to all!

All Year 12 students are also reminded of the importance of attending all lessons in the lead up to the external examinations. They are encouraged to work in small groups to help build on their strengths and ensure that the results for all students reflect their personal best.

Congratulations to all Year 10 students involved in the Commerce Market Day on Monday this week. Not only did the students learn practical marketing skills, they also had lots of fun and raised money for charity.

Congratulations also to the Year 8 students whose projects were chosen for the Science Techno Museum College Finals held today in the Hall. The standard of projects on display was most impressive and clearly demonstrated the enthusiasm and effort of the groups involved. Well done!

Cath Whalan  
Deputy Principal Years 8, 10, 12

I had the pleasure of hearing some outstanding speeches by the Year 7 and 9 students running for SRC. Congratulations to all students who nominated and presented to their year group for these leadership positions. I know that there are a lot of eager boys and girls waiting to hear the results of these elections. From Year 7: India-Sioux Fabig, Amelie Letchford, Eliza Lo Russo, Hannah Lovlin, Kristin Withana, Tobias Grigg, Max Oldham, Etienne Roumanoff and Noah Sayer. From Year 9: Zoe Bakker, Jamie Bell, Charlotte Bosler, Victoria Kristensen, Alanna Manfredini and Arquette Milin-Byre.

Individual Yearly Examination timetables have been given to all Year 11 students and the complete timetable has been uploaded to the school website. With only two more weeks of classes before these final Preliminary assessments, students are strongly encouraged to complete their study notes, complete practice tasks, consult with their teachers and manage

their time effectively in the lead up to these exams.

Deputy Principal Years 7, 9, 11

## HSIE Report

This week the HSIE faculty held the Year 10 Commerce Market Day. This was a project where the students had to develop their own business model, allocating specific management roles to students and planning the operations, marketing, staffing, finances and legal issues for the business.

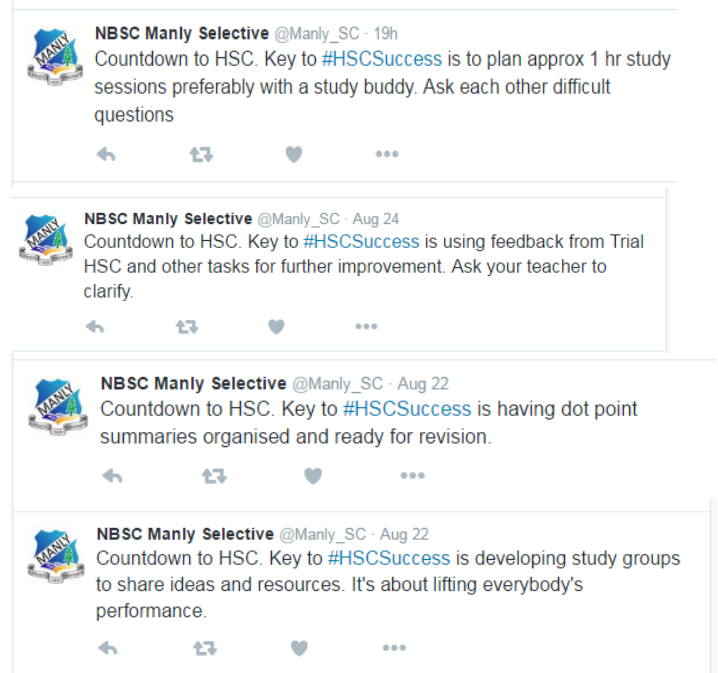

The students all had a lot of fun, taking the challenge head on with amazing dedication, whilst getting a good taste of what running a business is actually like. In doing so, the groups collectively raised profits of \$1,129.05 which has been donated to a variety of charities and non-profit projects of their choice. The winning teams were: Most Efficient Stall – Fairy Sweet Carnival, Most Profitable Stall – Stefan's Snags, and the Best Overall Stall was awarded to Fortune City. Overall, a very effective day that the students learned a lot from, while also raising funds for a good cause.

## Independent Learning Projects Expo

The Independent Learning Project (ILP) provides Year 10 students with the opportunity to work on a passion project for 3 full terms. During that time students develop their critical and creative thinking skills, time management, problem-solving, and presentation skills. This year students elected to develop a project based on one of four project categories: entrepreneurship, design, research, or subject specific. Students gained skills and knowledge related to their selected category, and applied them to a project of their own design, with students selecting projects ranging from a study of human perception, to the creation of a website about skiing.

The culmination of students' hard work will be on display in the hall during the Independent Learning Projects Expo in Week 8, and we invite parents and friends of the school to attend. Below are the dates and times for the displays for each of the project categories:

### Tuesday 6 September:

Research Projects – periods 1 and 2  
Entrepreneurial Projects – periods 3 & 4

### Wednesday 7 September:

Subject Specific Projects – period 1  
Design Projects – periods 2 & 3

ILP enables students to pursue their own interests, and in doing so to deepen their appreciation of a select discipline, essential for Gifted and Talented learners. At our school we are

very proud of ILP, as we believe it encapsulates the wisdom of renowned mathematician, computer scientist, and educator Seymour Papert, **"You can't teach people everything they need to know. The best you can do is position them where they can find what they need to know when they need to know it."**

We hope to see you at the ILP Expo in Week 8!

## MSC Colour Run

Two weeks to go until the *Adidas School Colour-Run*! We have currently fundraised close to \$2000! We need a huge week of fundraising next week to ensure we meet our goal of \$10,000. The money is going to be used to purchase equipment for our new school gym, providing our students with more opportunities in sport!

We'd love some volunteers on the day. Please call the office on 9905 3982 and request to talk to James Blanch (Sport Organiser) if you are interested in coming along to our event.

If you have any fundraising questions, please contact the *Adidas School Colour-Run* team on 1300 733 788 and they will gladly assist!

We've set our money due date on the 16 September (1 week after the event) so please make sure you've collected all your money by then.

To register for online fundraising, please go to [www.schoolfunrun.com.au](http://www.schoolfunrun.com.au).

## Shizuoka Fuji School Visit

On Monday and Tuesday of this week, Manly Selective Campus had the pleasure of hosting a lovely group of Japanese students in the equivalent of Years 10 and 11 from Shizuoka Fuji High School. Students from Years 9, 10 and 11 Japanese classes were paired with an exchange student, and we brought them along to most of our usual classes. I was lucky enough to be one of these students. We had our usual Japanese period with the students and their teachers, and everyone had to do a じこしょうかい (introduction), us in Japanese, and the Japanese students in English – which was super fun, but very nerve wracking. I'm still amazed at their level of English, which far surpasses our equivalent of Japanese knowledge.

On the second (and last ) day of their stay, we got to miss Periods 4 and 5 (ばんざい!) to participate in a Culture Class that the Japanese students had prepared for us – we learnt all about Japanese letters, かるた (card-game), しょうど (calligraphy) and まんが (manga) to name a few. Overall it was an amazing opportunity for all of us to practise our language skills (and learn some humiliation on my part) and gain a deeper understanding of a foreign culture.

We are going to miss them all and can't wait for another opportunity like this one. 先生、ありがとうございました (sensei arigatoo gozaimashita).

## Student Achievements

Mallika Aithala, Year 7 is currently in the Australian Ballet School Interstate Training Program. Mallika was placed 3rd in Demi-Character and received Highly Commended in Classical Ballet at the 2016 Sydney Eisteddfod. She also was awarded 3rd in Demi-Character and Highly Commended in Classical Ballet at the Ryde Eisteddfod last week.

### From the Attendance Office

As of Term 3, Sentral Attendance System has changed the automated absence for senior students. All students in Years 11 and 12 will start their day with an absence which can be rectified or overwritten **ONLY** when the teacher marks them Present in Period 1 or the student swipes the ID card at the Attendance Office upon arrival.

Students who attend Period 0 but have a free Period 1 have to sign in at the Attendance Office. All students arriving late or having a free period are urged to report to the Attendance Office and 'swipe-in' so as to reflect their correct attendance at school on the day.

Thank you for your co-operation.

## Sport News

This week saw the end of the Grade Sport for the Year 7/8 North Shore Zone and the Year 9/10 Warringah Zone competitions. Unfortunately, due to the wet weather Year 7/8 students were not able to compete in their finals games. This means that to determine the winning teams the 'first past the post' rule has been applied. In the 9/10 Warringah Zone competition, 3 teams battled it out in the Super Zone grand final, of which 2 teams were successful in winning. Congratulations to all participants in Grade Sport this year. Below are the results.

Super Zone Grand Final Math	Result
Boys Junior Soccer Manly vs Killarney	Manly lost 3-1

**Grade Sport BBQ-** will be held during sport time next Wednesday. Students from Years 9 and 10 must return their washed sport jersey before or during this time to get a sausage and drink. Students who do not return their jersey will be invoiced for a replacement jersey and will not be able to select a fee paying sport for Round 3 of sport.

**Sport Selections Years 8-10** – will be held during sport time next week for the 3<sup>rd</sup> round of sport. Students will need to have their signed sports permission note with them. Any student without the note will be placed into a walking group. Permission notes were handed out to students yesterday. If anyone did not receive a note they can collect one from outside the PE staff room. Additionally, any student with outstanding sport fees will be placed in a walking group.

**Year 7 sport-** Students will be participating in a Rugby League and a surf survival program. Information and permission notes were handed out on Thursday. These notes need to be returned ASAP.

## Bands of Manly Selective Campus

**Wind Ensemble at Conservatorium of Music, Monday 22 August**

The Wind Ensemble performed on the evening of Monday 22 August in the Verbruggen Hall

at the Conservatorium of Music. It was a beautiful performance in a truly stunning location. Now in its 7<sup>th</sup> year, the concert this year involved students from the Conservatorium of Music High

School, the MSC Wind Ensemble and the Symphonic Wind Orchestra from the NSW Department of Education Arts Unit. The MSC Wind Ensemble, conducted by Band Director Mark Brown, performed two pieces and then joined in the fabulous gala finale with all three bands on stage performing. Braving the wet and windy night was truly worth it and from all reports the audience really enjoyed the musical delights. Well done to all students involved and thanks to Mark Brown for organising.

### Swing into Spring Cocktail party

We are looking forward to tomorrow's event, which promises to be a fabulous night for all on our social and fund raising calendar.

### Semester 2 Band Fees

Thank you to those who have already paid the Semester 2 fees. If you have not paid, we would appreciate payment to be made now as they are overdue. If you have any questions please contact Sarah Dowse or Angela Self at [aself5001@gmail.com](mailto:aself5001@gmail.com).

### Musicale Rehearsal

Due to year 12 HSC performances, the hall won't be available until 4pm. Musicale rehearsal will therefore be from 4-6pm, after which we will need help from some students to pack the truck with instruments.

### Save this date: Musicale 2016 Sunday 18 September, Independent Theatre

Next month is our premier music event held at the theatre in North Sydney, featuring senior bands and our departing Year 12 students. This evening is *well worth* attending. Tickets on sale in late August.
