15 June 2018 – Newsletter No. 18

From the Principal

Building and Library Funds Update

With the Library extension due to be completed next week, a huge thank you once again to those parents whose contributions to the Building and Library Funds have made this possible. If you are looking to reduce your tax burden for this year, any contributions to these tax deductible funds will assist with furnishing this long-awaited flexible learning space or be used towards our approved upgrade of the hall stage or the planned installation of solar panels to reduce our carbon footprint and energy costs.

Thank you for your ongoing support of our school.

Year 11 Crossroads

Our Year 11 students have been involved in *RYDA* and *GP Visits in Schools* during the past week as part of their Crossroads program. RYDA is a powerful workshop that challenges 'students to change the way they think about road safety and lay the foundation for safe road use throughout their lives'. Some memorable facts mentioned by students included the 3 second rule about the safe space between cars whilst driving, the difference in stopping distances at different speeds and the significant change in peripheral vision caused by talking on your phone while driving. For more information see the [ABC Catalyst story](#).

Thank you to the 14 GPs who gave their time to speak with our Year 11 students on Tuesday this week. Feedback from students about the visits was extremely positive. They very much appreciated the safe environment to discuss a wide range of health issues, the opportunity to talk about issues that aren't usually discussed and to gain an understanding of how to get advice from health professionals when required.

Parent Teacher Nights

Thank you to those who attended the Year 8 and 11 Parent Teacher Interviews on Tuesday evening. Although this was the last interview evening for the year, parents are always encouraged to contact the school and speak to teachers or

relevant Year Adviser if they have any questions or concerns about their child's progress.

Congratulations to:

- Tilly Dearden and Amelie Grattan (Year 9) who will be performing in the State Senior Wind Band at Instrumentals Festival the Opera House next week.
- Freya Green (Year 8) who has been selected to represent NSW at the 2018 Water Polo Pan Pacs in Auckland in July.
- Luke Thom (Year 7) who won the Silver medal for Kata (forms) and the Gold medal for Kumite (sparring) in the Boys 12-13 years 5th-1st Kyu division in the recent SKIA (Shotokan Karate International Australia) NSW State Championships. Luke also recently graded for 1st Dan Black Belt with JKA (the Japan Karate Association).

In this regular feature we like to recognize students who have achieved highly in school and community events, competitions and activities. Demonstrations of the school ethos of *academic excellence, personal best* and *giving back to the community* deserve to be recognized. Parents are invited to phone or email the school any achievements we may not be aware of for inclusion in *The Weekly Pines*.

Cath Whalan
Principal

From the Deputies

Manly's school ethos is based on the charter; *Academic Excellence, Personal Best* and *Giving Back to the Community*, which underpins all our teaching, learning and wellbeing programs in the school.

What is the significance and importance of giving back the community?

In the eternal words of Gandhi: *"The best way to find yourself is to lose yourself in the service of others."* We give back because it teaches us to find

compassion within ourselves and to stay attached to values that are linked to the common good.

Volunteering in all shapes and forms strengthens our communities, brings people together and provides us with valuable experience and insight. Our students are privileged and we believe they should be able to give back to the community. We encourage them to be global citizens who think about how they can make the world a better place through special projects and charities.

NBSC Manly Campus gives back!

Ongoing partnerships

Manly Campus has a long-standing partnership with *Bushlink* - an organisation dedicated to creating real and valued employment for people with disabilities. Working together with Year 8 students, the team from *Bushlink* use their specialist environmental skills to transform specific areas of the school grounds. This can include weeding, pruning, clearing, mulching and planting in bushland. There are many benefits to this program including knowledge transfer, student pride and ownership, spirit of inclusion and creating memorable and enjoyable experiences for our students and the team from *Bushlink*. We express our thanks to Year 8 for the work they do giving back to our own community.

Annual events

The Write a Book in a Day competition is another example how our students are giving back to the community. Budding authors are given only 12 hours to write, edit, illustrate, review and print a 4,000 – 5,000 word novel suitable for children aged 10 – 16 years. Completed books are presented to children in hospital. To be eligible to compete teams need to raise a minimum of \$300, with all funds raised going directly to the Kids' Cancer Project. Providing opportunities for students to write for an authentic purpose is a great motivator and embraces our school ethos *Giving Back to the Community*.

Student driven initiatives

With my position as a student ambassador for Oaktree, I introduced the 'Live Below the Line' initiative to our school for the first time this year. This campaign aims to attack the issue of poverty and attempts to support programs and initiatives where all of our fundraising efforts will go to help crisis' overseas. It is a really important issue that we don't often see in Australia, but is incredibly significant in others' lifestyles, so it is really good to see students getting behind this cause.

'Live Below the Line' involves participants to live off of \$2 a day for 2 or 5 days, and receiving donations from friends and family for their participation and support of the campaign. I originally had set our school's fundraising target at \$500, but we absolutely smashed that and have managed to fundraise \$1061. This is such an amazing achievement and I'm so proud to have been able to have such success in its first year of running the campaign at our school.

I would like to thank everyone who donated to our team and for the support of the staff and students in my organisation and event planning. I'm really hoping to see this event run in future years, and I believe addressing the issue of poverty is extremely important for us to collectively learn how to feel grateful for what we have, and to support those who need it most.

Armoury Challenge

– Help needed

Our school does have some archival material - the problem being how to access it! At the moment it is in a jumble along with decades of assorted storage in the armoury*. For years we have put this into the 'too hard' bin. The time has come to brave the task and *sort it out!* The aim is to pull everything out, sort it, clean the space, and redesign the layout. There may also be some shelf building for those with a meccano mindset.

If we are ever to keep enduring records of our school this is a job that must be done.

The appeal is to anyone who would be willing to lend a hand for an hour or so in the school holidays to let me know (for catering purposes; naturally there will be morning tea and lunch provided).

*Note: If you are wondering where the armoury is, it is next to the boys toilet. And if you are wondering what the armoury is, it is the old room where the guns were kept back in the old days when the school had cadets.

Details

Armoury Clean-up

Thursday 12 and Friday 13 July

(in the school holidays) from 9:30am - 3pm

Contact Judy Boylan in the office if you are able to offer your assistance 9905 3982

School App

[The NBSC Manly Campus School App](#) can be downloaded from the App store. The App is a convenient way to access the school website calendar, The Weekly Pines newsletter and to advise of your child's absence.

In addition to this, reminders are sent out through the App for various school events and activities.

Lost Property

Lost property is located at the school office.

If your child has lost an item or an article of clothing, please advise them to check lost property via the office.

Clothing and other lost items that are labelled with your child's name are able to be returned to your child easily. Unfortunately many lost items are not labelled and remain in lost property until claimed. Due to the quantity accumulated throughout the term, any unclaimed items at the end of term are donated to charity or disposed of.

Currently in lost property:

- School clothes, plain clothes
- Sneakers, hats, rain jackets and umbrellas
- Lunch boxes and drink bottles
- Glasses, coin purse and other items

SECOND HAND UNIFORMS

LOCATED UNDER THE TAS BLOCK

Next open Thursday 21 June

1:30pm – 2:30pm

Open first Tuesday of the month

8:15am – 9:30am

& the third Thursday of the month

1:30pm-2:30pm

Coordinators Marg Martin & Chris Schaller

Careers Matters

Within School

Careers Passports

Careers Passports have been a great incentive for Year 10 students to get motivated and pro-active about their own career development. There has been a marked increase in numbers at our Careers lunchtime workshops (domestic travel) and in those venturing further afield to Careers expos, University information nights and seminars. A reminder to all Year 10 students to show Mrs Colby your completed *Choose Your Own Career Adventure Day* booklets to score more stamps in your passport. A great prize awaits the student who earns the most stamps by the end of the year, so keep planning your Career events.

Coming up

We have students enrolled to participate in the following upcoming events:

- Northern Beaches YOUth Summit – 28 June
- Sydney University Student Model United Nations
3 July (still vacancies)
- B.Inspiring Future Leaders Conference: Business & Technology at the University of Sydney
4 – 6 July (still vacancies)
- Experience IT - Girls in Engineering at university of Sydney
20 July (still vacancies)

see Mrs Colby if you are interested in attending

Scholarships & Cadetships (Year 12)

Macquarie University Global Leadership Program

Macquarie's students are global citizens, deeply engaged with the world and the big issues shaping the future of society. The Global Leadership Entry Program (GLEP) supports and inspires global leaders of tomorrow. If you've already made a head start – kicking goals at school and making a positive change in your community through leadership and service – then apply for GLEP to be eligible for an early offer for your dream course. Macquarie Uni looks for students who have made an active and significant contribution to society at large, who show initiative and commitment.

Benefits for successful GLEP students:

- peace of mind that you've already received an early offer for your dream course
- participate in many of the Global Leadership Program activities, including specialised workshops and speaker events – run by experts in their field – on topics such as leadership and global challenges
- become familiar with life as a Macquarie student at your exclusive orientation session
- participate in networking activities to get to know other students starting uni just like you
- opportunity to receive one of five \$5000 GLEP scholarships

Bit Scholarship - Manly Campus currently has alumni in the Bachelor of IT Co-operative Scholarship at UTS. We would like to take the opportunity to let your current students know that applications are now open for the 2019 intake.

The Bachelor of IT (BIT) Co-operative Scholarship is a one-of-a-kind course for future tech and business leaders with a strong reputation among industry. It's a three year, advanced degree, sponsored by top tech firms and paying students \$49,500 (2018) over the duration of their study. It includes two six-month internships and boasts a graduate employment rate of 95%.

How to apply:

There are three steps students must follow to complete an application:

1. Submit a BIT application form
2. Attend an industry interview*
3. Nominate the BIT (UAC code 603210) as a first preference

*Students will be selected to interview based on high-school exam results and reports, participation in extracurricular activities or leadership roles and a demonstration of strong communication skills and motivation to work in the technology industry. Applications close on 17 June 2018.

The Engineering and Technology Cadetships (ETCAD)

The Engineering & Technology Cadetships (ETCAD) program was launched in 2013 by Professional Cadetships Australia (PCA), an Australian company that has a proven record of placing Year 12 students with leading companies. Under previous ETCAD Programs, PCA has placed Engineering Cadets at Rolls-Royce and Technology Cadets at Macquarie Group and Westpac.

The 2018 ETCAD Program

Under the 2018 Program, Engineering Cadets have the opportunity to work at Cubic Transportation Systems and Technology Cadets will work at Macquarie Group in its Technology Division. It is possible that a second company will offer Technology Cadetships under the ETCAD Program, so watch this website for updates.

Engineering Cadets

Work for Cubic Transportation Systems for the duration of their degree

- Undertake university study in electrical, mechanical, mechatronic, computer, software or industrial engineering. It is also possible to study a science degree
- Study engineering full-time and work at Cubic during university vacations in the middle of the year and over summer

Technology Cadets

- Work for Macquarie Group in Sydney for the duration of their degree
- Undertake university study in computer science, information technology or information systems. Alternatively, cadets may undertake a commerce or arts degree and select information systems as one of their majors
- In first year, Technology Cadets study full-time in Semester 1 and work full-time in the second half of the year. From second year onwards, cadets will typically study and work throughout the year

Applications

Applications for the ETCAD Program are made online to Professional Cadetships Australia.

Applications close Friday 22 June 2018

To be considered for a Cadetship under the ETCAD Program, you will need to expect an ATAR of at least 86.25

**Term 2 Band Meeting, Monday 18 June at 8pm
In the library. All Welcome.**

Come to meet fellow band parents and hear what is coming up for band. Being involved in the band program is very rewarding and a great way to be connected to your child and peers, to other parents and to the school.

Blazers are needed from next month

Blazers will be required first week of Term Three by all wind and jazz members.

Second hand blazers: To sell or buy second hand blazers, contact Dianne Turner before 22 June at moogiet@optusnet.com.au.

NB: Dianne is not available in throughout July.

New blazers are now available from Pickles School Wear in Brookvale.

**Sydney Youth (US student) Homestay
Tuesday 19 - Monday 25 June**

Thank you to the 16 band families who have volunteered to host students from the Phoenix Choir. They are creating connections across communities and raising \$5000 for the band.

Families wanting complimentary tickets to their Opera House concert on Friday 22 June, please email the United Tours coordinator in Sydney at julie@barrenjoeydriving.com.au

**Northern Beaches Instrumental Festival
Saturday 23 June at 7pm, CO**

Call sheets have been circulated via email.

**NSW Band Festival and Australian Schools
Orchestral Festival times, Sydney Conservatorium**

Sunday 28 July SWO Arrive 4:45pm
Sunday 29 July SwB Arrive 9am
Sunday 29 July SB Arrive 10:14am

Sunday 29 July CB Arrive 12:03pm

Sunday 29 July WE Arrive 1:30 pm

Sunday 29 July BB Arrive 3:15 pm

Sunday 2 Sept SE Arrive 3pm

Sunday 2 Sept CO Arrive 4:22 pm

NB: Arrival times are subject to change by organisers. Please refer to call-sheets and emails.

**City to Surf Fundraiser- Calling for volunteers
Sunday 12 August, Bondi Beach**

Please see the flyer at the back of the newsletter for details and contact the parent coordinating this important, annual fundraiser for band by 6 July. We are looking for 80 volunteers, students and parents, band and non-band families, are all welcome to join in.

Band Dates for Diaries

Term Two

**Term 2 Band meeting, Monday 18 June, 8pm

CALL OUT to Manly Campus students and families!

Sunday 12th August 2018

Every year the Bands of Manly Campus are invited to volunteer at the annual City to Surf fun run at Bondi Beach's finish line to raise funds for our band programs. Our job is fun, simple, and extremely important. Manly Campus is highly regarded by the organisers for our excellent customer service. This is a highlight of our school's fundraising events.

WHAT WE HAVE TO DO:

Take bags belonging to the runners from trucks and place them in numerical order so that when the runners arrive at the finish line we can give the bags back to them.

WHAT WE GET:

Lots of fun, beach morning and community spirit!

We get paid for every person who attends: family, friends, this is open to everyone, not just Manly students, although we want to see as many of you there!

***In 2017 we raised almost \$4000.
More people = More \$\$***

- Event T-shirt
- Morning Tea
- Duke of Ed - 4 volunteering hours
- School achievement awards for community service (equivalent to 4 x pink merits)
- Year 10 students 6 hours can go towards your 20 hour volunteering quota.
- 10kg block of chocolate for the school year with most participants

Location:

Near finish line at Bondi Beach

Arrival time: 6:30am

Estimated finish time:

10-11am (due to road closures)

Parking:

Limited car parking is available, so car-pooling is a must! If you can bring a car full of people let us know ASAP- we aim to get you a parking permit at a nearby car park. There are shuttle buses to take us from the car park to the beach.

Contact:

Call Monique Pardavi on 0423 803 851, or email monique.pardavi@gmail.com to volunteer for this event by 6 July 2018. Everyone is welcome.
