NAPLAN

This year's online NAPLAN testing for students in Year 7 and 9 is almost completed. Our school, along with many others, experienced connectivity issues on the first day of NAPLAN and our students are to be congratulated for their patience and resilience. Some students who were adversely affected have opted to re-sit the writing test, which will be completed next Tuesday. Thank you to Mr Newcomb for the excellent organisation of these series of tests across the two weeks, to Mr Palmer and Mr Goykovic who provided the technology support and to the invigilators who provided continuity and consistency for our students.

Lismore School Visit

Last Thursday our Year 11 PDHPE students hosted a visit from a group of 14 students from The Rivers Secondary College Lismore High Campus. The students shared their educational experiences and expectations with each other before taking a tour of the school. Thank you to the students involved and to Ms Rixon for coordinating the event. Comments below, from the Lismore students highlight the value of this opportunity for students from regional NSW to visit Sydney and our selective high school.

'Manly Selective Campus, the students were cool and we could relate to them'

'Good to see students our own age in the same situation wanting to achieve'

'The school had a great vibe to it and the students made us feel welcome'

Night of Stars

Congratulations to all performers and the SRC for coordinating another fabulous Night of Stars on Monday night. The 16 student acts were very impressive and engaging and Ms Colby's dance routine for the Cancer Council event tonight was excellent. The adjudicators' role was once again difficult this year, with so many talented students performing. Congratulations to the Year 11 band of Aja, Angus, Bill, Ethan, Josh, Rex and Zafi who won first place and to Sylvia and Isabel who were second and third respectively. Chloe's Angels won a special commendation for their impressive dance performance.

Fergus, Robin and Sam were entertaining compares, engaging the audience with outstanding slam poetry, funny jokes and thought-provoking questions for the audience.

Night of Stars

Year 11 Parent Teacher Night

Thank you to the Year 11 students and parents who were able to attend Parent/Teacher Interviews at school on Tuesday evening. This year we are trialling separate evenings for each year group and the feedback from parents and staff has been very positive. Please remember that you are encouraged to contact the school throughout the year if you have any questions or concerns.

Athletics Carnival

The weather warm autumn weather was perfect for the school athletics carnival on Thursday. The day was very full with all students being given the opportunity to participate in track and field events.

Year 12 students were strong in numbers, with around sixty attending the carnival. They are to be commended for embracing their new House - *Farm House* and for participating in so many events.

Thank you to the sports organisers Mrs Leanne Low and Mrs Jen Walker for their excellent organisation of the day.

Congratulations and best wishes to all students who have been selected for district/zone competitions later in the term.

SRC Biggest Morning Tea (and staff Biggest Cuppa)

The SRC cake stall held at recess today was a great success in raising funds for the Biggest Cuppa.

In addition our staff morning tea this morning was a Biggest Cuppa event as well. A big thanks to Margaret Taylor who organised the event again this year and to all who contributed to making it a lovely morning whilst raising funds for the Cancer Council.

Congratulations to:

- Moe Iwasawa (Year 12) who entered a short story in the Write4Fun competition and passed the first round of judging. Moe has also been offered the opportunity to publish her work in their book 'Just keep writing' - a collection of poems and short stories from students in Australia.
- Emily Hewitt-Park (Year 11) who has been selected for the Hockey NSW U18 Accelerate Athlete Program).
- Stephanie Evans (Year 10) who has been awarded a scholarship to attend the Ocean Heroes Boot camp in Canada during the July holidays.
- Elliot Connor (Year 11) who has been accepted as an ambassador for the 2019 CoalitionWILD cohort. Elliot will undertake a conservation project over a 9-month period with 12 other individuals globally.
- Anna Birke (Year 10) and Felix Birke (Year 7), who represented the NBSC at the Australian Junior Volleyball Championships in Bunbury WA. Anna was in the U/16 female team – 5th place and Felix was in the U/15 male team – 3rd place.

In this regular feature, we like to recognize students who have achieved highly in school and community events, competitions and activities. Demonstrations of the school ethos of academic excellence, personal best and giving back to the community deserve to be recognized. Parents are welcome to phone or email the school any achievements that we may not be aware of, for inclusion in The Weekly Pines.

From the Deputies

Benefits of volunteering

Here at Manly Campus our ethos includes *giving back to the community*. Across the year groups, we have a large number of students each week volunteering both at school and in the wider community. Volunteering brings many benefits to individuals which is one reason behind our Year 10 Volunteering program.

Volunteering can:

- give you a sense of achievement and purpose help you feel part of a community
- help you feel better about yourself by improving your self-esteem and confidence
- help you share your skills, learn new skills and create a better work-life balance
- help you meet new people, which can help you feel more connected and valued.

Our Year 10 students are asked to complete a minimum of twenty volunteering hours that they record in their booklet, which is then signed off by a supervisor. It is impressive to hear of the large number of hours that students are doing in the community. Certificates will be issued at the end of the year for those who complete the program.

Volunteering includes babysitting, home repairs or caring, working for non-profit organisations or charities and coaching a team.

For those looking to volunteer there are many organisations that actively seek volunteers. These include:

- animal welfare organisations like the [RSPCA](#)
- organisations interested in conservation – see www.conservationvolunteers.com.au or call 1800 032 50
- organisations and charities that look after vulnerable people, like the [Australian Red Cross](#), [The Smith Family](#), the [Starlight Children's Foundation](#), [UnitingCare Australia](#), and [Meals on Wheels](#)
- other community organisations like state emergency services, rural fire services and [Surf Life Saving Australia](#)
- organisations that take volunteers overseas, like [Projects Abroad](#), [World Youth International](#) and [Australian Volunteers International](#).

For more information on volunteering go to:

- [Volunteering Australia](#) – there are fact sheets for volunteers on the website and there is also a link to the Volunteer Resource Centres in each state and territory.
- [Go Volunteer](#) – here you can search for volunteer positions in your local area.

Life Skills

Over the holidays, I was doing some pedagogical reading regarding navigating the wellbeing of adolescence and I came across Maggie Dents' [Key Life Skills for Adolescents](#). Maggie's experience includes teaching, counselling, working in palliative care/funeral services and suicide prevention, and more importantly, she is the mother of four boys. She has written eleven books regarding adolescence and resilience and is sometimes known as *'The Queen of Common-sense'*. Her list identifies what adolescents need in their kit bag for life when they venture into the big wide world at 18 or so. Maggie suggested that life is a journey of continually gaining knowledge, skills and competencies and it is our job as parents, carers and teachers of these young people to equip them for success in the big wide world beyond their home nest and Manly Campus. Her list covers many areas of life from living with others (who may not love you unconditionally), living in rental properties, life skills in cars (an very important check list for all our L and P Platers), useful communication and etiquette skills, how to navigate appropriate technology use, and essential money skills. Here are some of her pearls of wisdom:-

- Change the toilet roll when it's empty
- Always smell milk before using—if it has lumps, it's off
- Eat fresh, wholesome meals 80% of the time
- Remember your housemates' birthdays
- Offer to make your housemates a cuppa occasionally
- Have five meals that are tasty and reliable in your kit bag ready to go
- A driver's licence is a privilege you can easily lose

- Never, ever get into a car with someone who has been drinking or doing drugs
- Use manners all the time—people make first judgements about you that last
- Avoid gossip—especially spreading it or, worse still, starting it
- Having a phone or handheld device is a privilege not a right
- Avoid using phones and devices when at dining table or at special family event
- Being a broke student or apprentice builds appreciation for having financial freedom later in life
- Never be afraid to ask successful adults how they became successful
- Money does not bring you happiness, however it can make living easier and gives you more choices.

I gave all of Year 11 a copy of the list and they had a few giggles reading through them. Maggie suggests that we put the list on the fridge or a place that it may be casually read through by your passing teen, and that they can cross off any skills they have already mastered (this may be open to debate!) and any that they learn in the next wee while as they move into young adulthood.

Science

Teleconference report

On Wednesday, Year 10 Science as well as some Year 11 and 12 Physics students joined 1000 other students from across Australia to be involved in a live teleconference with Dr Leon Alkalai; the

Assistant Division Manager for Formulation at NASA's Jet Propulsion Laboratory at Caltech.

Dr Alkalai spoke to our students about the missions he has led; including the GRAIL mission to the Moon, launched in 2011, and then the InSight mission to Mars, launched in 2016. The students had the opportunity to ask questions about how data collection is obtained from such missions, how the information is relayed back to Earth and what the purpose of gaining such knowledge by unmanned missions is. They also gained insight into the pathways leading to careers in science, engineering and technology and the requirement of large teams of specialists in different fields to allow such projects to be successful. Dr Alkalai strongly encouraged our students to be inquisitive and get involved in solving problems through exploration of the practical applications of engineering.

STEM

Student Report

On Thursday and Friday of week 1, we attended the UTS STEAMPunk Girls Course on Project Based Learning at the Powerhouse Museum. We were the only students in attendance. It was interesting seeing how teachers plan programs and it was nice to be able to contribute to this process.

Over the course of the two days, we were able to plan and receive feedback on a new *Girl's in STEM* lunch time program we are hoping to begin running in the near future. The program aims to equip girls with STEM skills to attempt to solve real world problems. As we want the course to be as

collaborative as possible we were able to network with industry professionals who we look forward to bringing in as mentors and guest speakers. We can't wait to see where this program takes us. Please make sure to check the notices for updates on a start date.

Band Manager - Job Position

Bands of Manly Campus is seeking a Manager for its Band Program.

Bands of Manly Campus is a school-approved extra-curricular program run and financed by band parents, with around 20 committee volunteers. We currently have 200 students rehearsing each week in eleven ensembles, under the leadership of four high-calibre music directors. We plan and deliver a wide variety of performances and events each year, including school events, regional tours and camps, and several fundraising ventures.

The Band Manger will be responsible for implementing the program under the direction of the Band Committee Executive and President. This includes:

- Liaising with school executive, band executive and president, band directors, band committee members, band members and their families and outside suppliers
- Consulting with band directors to develop a rich and engaging program of band events and tours
- Ensuring smooth running of events and tours
- Chairing the general band committee meetings
- Meeting budget requirements set by the band executive
- Ensuring accurate information in performance call sheets, The Weekly Pines, the Band handbook, annual reports.

The job is casual position at an award rate of (\$27.55/hour, for 20 hours/week, for 40 weeks/year).

Apart from meetings at school, the Band Manager would work offsite (e.g. home office), with irregular

hours involving weekends and evenings when required.

The successful applicant should be a current member of the NBSC Manly Campus school community and must have a *Working With Children* clearance.

Please email Mel Corner (Band President) for enquiries or to submit an application:

andyandmel@gmail.com

Application date: Please submit CV and cover letter by Tuesday 11 June.

Lost Property

Lost property is located at the school office.

If your child has lost an item or an article of clothing, please advise them to check lost property via the office.

Clothing and other lost items that are labelled with your child's name, are able to be returned to your child easily. Unfortunately, many lost items are not labelled and remain in lost property until claimed. Due to the quantity accumulated throughout the term, any unclaimed items at the end of term are donated to charity or disposed of.

Currently in lost property:

- School Jumpers and jackets
- Wallet, watches, USBs, glasses, jewellery, perfume, charger, charger cable, pencil case.

New treasurer for band

The band committee is very happy to announce that **Jill Johnson** (mother of Ashlyn in Year 9, WE) has kindly volunteered to take on the role of band treasurer from Linda Harte who could no longer continue in the role.

The band committee and school have really appreciated the work Linda has done in her role job as band treasurer. She has been thorough, capable and a pleasure to work with throughout.

Seeking a Band Manager for BoMC

The band is seeking a new band manager from Semester Two. The job is being advertised in the school community and alumni with applications requested by Tuesday 11 June.

Please see the advertisement earlier in this newsletter.

Sarah Dowse advised the principal and committee in late 2018 that she would need to move on from this position early this year.

As President for four years and Band Manger for two, and with her daughter completing the HSC, it seemed the right time for her to move on and allow a new person to enjoy this role. She has loved her involvement; the engagement with the students and the wonderful MSC community and the inspiring music that is created each week. Sarah urges anyone interested in finding out more to get in touch with the band president Mel Corner:

Perisher Valley is gearing up for the upcoming **2019 Travelplan Ski Northern NSW and Queensland Interschools Snowsports Championships** and the recent low overnight temps, perfect for snowmaking, is allowing the resort to get a head start on nature and ensure the season gets underway and is ready for our arrival.

Our **NBSC Snowsports Team** is assembling another keen group of racers entering events in Ski Slalom, Moguls and SkierX and Snowboard Slalom and BoarderX disciplines. The team includes our regular racers along with a new group of Year 7 participants. All are ready to take on the various courses and do their best against the clock. This year we anticipate all 5 NBSC campuses to be represented.

Successful qualifiers are able to progress through to the **Subaru SSA Northern States Interschools Snowsports Championships**, also at **Perisher Valley** in late August, and the **SSA Australian Interschools Championships** at **Mt Buller, Victoria**, early September.

Entries for the opening event, being held during the first week of the July school holidays, are welcome and close on **Wednesday 26th June**. Families wishing to be involved can direct their inquiries to mark@markpurkiss.com or 0439 439 731

Follow the below link through to the **NSW Interschools Snowsports** website for more event information <http://nswinterschools.com.au> or like us on our **NBSC Snowsports** facebook page at <https://www.facebook.com/groups/1554955111467801/>

If you enjoy skiing or boarding and would like to try some fun racing, why not join our **NBSC Snowsports** team, wax up your skis or board and head down to **Perisher Valley** with us this July. Win or lose you're bound to make new friends and have plenty of fun.
