HSC Trials

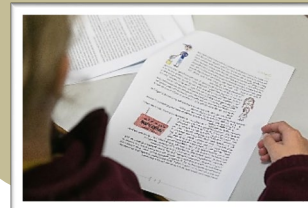

Year 12 written Trial HSC examinations start this coming Monday 5 August and will continue until Week 4, Friday 16 August. We wish all students well as they prepare for and complete their final school based assessment. Students who have HSC major projects or Language oral examinations over the next few weeks are reminded to make sure they have a good balance between these expectations and the Trial HSC. Students should be confident that their thorough preparation will stand them in good stead to achieve their personal best in these examinations.

Write a Book in a Day

On Monday, I had the pleasure of supervising 35 Year 8 students who participated in *The Write a Book in a Day* competition. Budding authors were given only 12 hours to write, edit, illustrate, review and print a 4,000 – 5,000 word novel suitable for children aged 10 – 16 years. Completed books are presented to children in hospital and all funds raised go directly to the Kids Cancer Project, a charity supporting childhood cancer research.

Providing opportunities for students to write for an authentic purpose is a great motivator and embraces our school ethos *Giving Back to the Community*. The task commitment, effort and team cooperation shown by the following students was outstanding:

Libby Baldwin, Genevieve Bauder, Eva Beaumont, Leo Bernhardt, Gemma Bones, Riddhish Chanda, Melissa Chen, Alisha Choi, Talia Cooper, River Fitzgerald, Dasha Galiyeva, Ruby Geddes, Angus Geraghty, Claudia Hadwen, Nena Harmstorf, Alicia Jiang, Saba Kiani, Kaia Krause, Xavier Lenehan, Kevin Lu, Ella McAvoy, Mischa McCulloch, Felicity Murray, Yasamin Raminzad, Christian Selvaratnam, Maya Simon, Isabelle Stapf-Giannakis, Hannah Stephenson, Gemma Stevenson, Alina Stone, Thomas Thake, Charlotte Thomson, Sarah Walker, Troy Wilson and Brandon Wu.

The following day, a group of these students visited Brookvale Public School to share their experiences to Year 5 and 6 students who are also taking on this challenge.

A student reflection can be read in the student reports section of this newsletter.

Year 10 Make a Difference Day

On Monday, Year 10 students Eliza Lo Russo and Noah Sawyer attended the *Make a Difference Day* at NSW Parliament House. The aim of the program was to develop students' knowledge and understanding of Australian democracy and the rights and responsibilities of Australian citizenship by exploring how they can engage as informed and active citizens in their schools and communities.

Odawara Japanese Student Visit

On Thursday, 6 students from Odawara city in Japan visited our school. These students are hosted by NBSC Manly Campus Year 9 and 10 students; Bryn Montgomery, Klio Ng, Eleanor Yetts-McKernan, Ashleigh Powe (Year 9) and Oonagh O'Dwyer and Lara Munro (Year 10). The Japanese students participated in three Japanese lessons and observed two lessons accompanied by our students.

Apologies

Last week's photo of Year 8 Principal Award recipients was incorrect, please see the correct photo below.

Year 8 Principal's Award recipients

Congratulations to:

- Mack Calder (Year 10) who represented NSW in the Ultimate Frisbee Championships held in Brisbane in the July school holidays. He successfully defended their title winning the Australian Under 18 Championships. Mack was also selected to represent Australia in the Under 18 division of the Asian Junior Masters Championships to be held in Manila from 13-15 December.
- Noah Sturzaker (Year 8) who represented Manly Campus at the Sydney North Athletics Carnival. Noah participated in the 4x100 U14 relay where they finished midfield. He represented the school in the U14 discus and placed 7th in a large field, narrowly missing out on the final 6. Then he moved straight to the U14 javelin where after 4 throws he came 2nd with a personal best of over 39m. Noah will next compete in the State Championships on 4 September at Homebush.

In this regular feature, we like to recognize students who have achieved highly in school and community events, competitions and activities. Demonstrations of the school ethos of academic excellence, personal best and giving back to the community deserve to be recognized. Parents are welcome to phone or email the school any achievements that we may not be aware of, for inclusion in The Weekly Pines.

From the Deputies

The importance of taking time for reflection and evaluation.

At the beginning of a new semester, Term 3 is a good time for students to reflect on their performance to date and celebrate their achievements. Recently in pastoral care, students were allocated time to reflect on their Semester 1 report. One focus of this session was: *Did I achieve my semester one goals?* – in areas such as school and learning, home and study as well as maintaining a balanced lifestyle.

In this period of reflection and evaluation it is also time to reset your SMART goals for Semester 2. Students in Stage 4 will be taking on new subjects and meeting new teachers. They will be facing new challenges and have the opportunity to achieve in new areas. Questions all students may focus on are; *how can I change my choices to get more value from my efforts? By being more positive and in control in my thinking will this assist me to achieve my goals?* By staying focused on what's happening in the present and with a positive mindset, not only will you feel more invigorated, but your brain will be functioning at a higher level, allowing you to perform at your best.

As part of the wellbeing program at school there are many programs where students are given the opportunity to chat with teachers about their Semester 2 goals and aspirations e.g. the Term 3 individual student interviews; Year 11 (week 3 and 4) and Year 10 (week 6). Plus the Year 12 mentoring program. Latter in Term 4 we have the Year 10 learning portfolio.

Returning to the importance of reflecting and evaluation, students should also be mindful of celebrating their successes. Acknowledge the improvements you are making in your studies, be proud of the way you have overcome challenges and built on your ability to be resilient.

Year 12 Music Students

Year 12 Music students started their trial examinations with the practical performances on Tuesday 30 July. All seemed relieved after the performances.

Year 11 First Aid

Year 11 PDHPE completed a First Aid course on Tuesday in Week 2. All students were successful in obtaining their *First Aid – HLTAID003* qualification. Students learnt how to identify and respond to a variety of emergency situations. As part of the course they learn how to provide CPR to an adult and baby, give an auto injector to someone having an anaphylactic reaction, help to administer medication to someone having an asthma attack and treat other medical conditions. Additionally, they learnt how to stop bleeding, manage cuts; hard and soft tissue injuries; bites and stings; concussion; stroke and shock. Finally, students developed a deep understanding of the moral and legal implications to providing first aid to a person.

Congratulations to everyone in the class in a successful day.

Manly SRC Autism Awareness Day

Last term, a student visited one of the SRC Friday meetings, suggesting that we do something to support students on the Autism spectrum. The Year 10 SRC team took on this challenge and organised an *Autism Awareness Day*. This was held on Thursday, with a cake stall at recess and a sausage sizzle at lunchtime. It was a very successful day as many students wore an extra hint of blue in support of the event, and a large amount of money was raised for Autism Spectrum Australia. This event is an example of how eager the SRC are to listening to the concerns of the student body and support their needs.

NRMA Future Transport Challenge

Three groups of Year 10 students participated in the NRMA Future Transport Challenge, where students used design thinking to solve what they identified as transport issues that NSW will face in the future.

Two teams, TRYSIN (Max Oldham, Jamie Palangio, Alex Polis, Anna Dahlstrom and Levi Newport) and The Hive Drive (Alex Yuen, Ryan Lynch, Alex Todd, Josh Hort and Mitchell Gayfer) were highly commended and Project Pathways (Daniel Duncan, Rory Self and Dan Field) were commended.

Students found the Challenge exciting as it allowed them to use their creativity to solve a real world problem that could also help improve people's commute.

SRC Applications and Elections

With Year 12 graduating at the end of this term, we also farewell the current SRC members and bring in a new SRC for the next year. Applications are open Monday 5 August until the end of day Friday 16 August.

To complete their application, students must have endorsements from parents, teachers and a peer. They will then give election speeches to their year group before they vote on a secure online platform where votes are counted electronically to avoid error or bias.

The first to find out about their inclusion in SRC 2020 are the 10 SRC executive members, as they are then eligible to try out for school captaincy. On top of the aforementioned process, these candidates will be interviewed by the Principal and members of the SRC and give a speech in front of the staff and students to win their votes. Again, all voting and counting will be done electronically.

After the election results are finalised, the new SRC 2020 will be 'sworn in' and given their SRC badges in a special SRC Induction Ceremony on Tuesday 10 September, 11- 11:20am.

Student Reports

Year 9 International Studies

The below student report is on the aid organisation Care Australia for a class task for the Human Rights topic.

CARE Australia - Every day, millions of people live in poverty, without the basic needs most Australians take for granted. Some have always lived this way, and some are struggling after a major disaster, but every day, *CARE Australia* helps these people in need, by providing them with fresh water, nutritious food, healthcare and education. CARE Australia mainly focuses on women, particularly as women are often subjected to worse living standards in developing countries. The organisation sends relief to 75 countries globally, and supports them in crises such as natural disasters.

CARE Australia was founded in 1987 when it joined CARE International (Cooperative for Assistance and Relief Everywhere) as a national member. The international humanitarian aid organisation was founded in 1945 when 22 organisations joined an effort to deliver care packages to World War II survivors. They now deliver emergency relief to those devastated by natural disasters, conflict, poverty, and those without the basic human rights. They have established global long-term development projects. CARE Australia was established by former Prime Minister Malcolm Fraser who was passionate about and determined to fight against global poverty and social injustice. He led it until 2002, also serving as the President of CARE International from 1990 to 1995.

One of their recent projects involved the Mozambique cyclone (Idai) in Africa, of which there were over 600 casualties, and thousands more whose homes were destroyed. CARE Australia is helping to aid those affected, by providing tents, food, and water purification tablets.

But it still isn't enough. Millions of people are still in poverty, and you can help.

You can support CARE Australia by donating or fundraising, participating in marches and advocating for the issues they strive to solve. You can also involve yourself in relief efforts and take part in fundraising challenges to help those in need experience what we take for granted.

Write a Book in a Day

The below is a student reflection on *Write a Book in a Day* which was held on Monday this week.

Write a Book in a Day - 3....2....1...GO!

And we were off! It was every team for themselves. Little did we know what obstacles we would eventually face in the next 12 hours.

Write a Book in a Day was an amazing experience for Year 8. Every team had so much fun trying to write, edit AND illustrate a book in less than 12 hours.

Although we showed up half-asleep, at 8 am everyone was excited and very energetic to hang out with our friends for the next 12 hours. Little did we know that we had a lot of stress planned for us.

The minute the timer started, everyone raced to begin their story, planning out how to storyboard the whole entire thing. We had to work out how to write 4000-5000 words, as well as including the random words, parameters form and an Australian theme. The only sound you could hear from the library was the classroom full noise of tapping keyboards.

1 hour passed, then 2, 3, 4, and 5. Soon, lunch appeared around the corner and Year 8 successfully demolished the entire lunch table. With seven hours left to go, we were left feeling like we had eaten enough for a year.

By the time school had ended and all of our friends had gone home, something had finally hit us. Tiredness. This tiredness had led us to become very sugar high when we had our first team editing session.

But we couldn't stop yet. We were so close to finishing yet so far. 5 more hours to go.

It was 7pm when every team went into full stress mode. Stories were still being written, edited and illustrated. Time had flown by so quickly as we raced against the clock.

With less than an hour left to go, year 8 finally started uploading their books. 1 team had uploaded, then 2, 3, 4, and 5. The last book was still left to be uploaded. With 5 seconds left before 8pm, we smashed the upload button.

5...4...3...2...1.. BEEP BEEP, BEEP BEEP!

It was finally over! 35 students had successfully written and illustrated 6 books in ONE day. I can guarantee that every student was relieved that we could finally sleep.

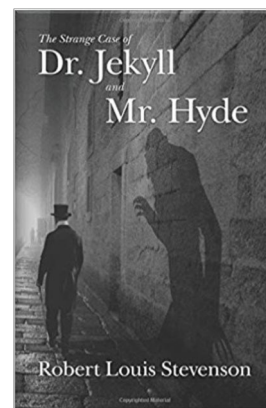

The next day, nine students went to Brookvale Public School. Although most of us were still delirious, we were high spirited to give them a presentation on our tips and tricks for going into the day, as the students of years five and six would do the same the following Thursday. We followed this presentation by working with the students in closer groups, each year eight talking to a team and planning with an example parameters sheet.

Looking back now, we would like to thank Mrs O'Sullivan for putting up with a classroom full of tired teens for TWELVE HOURS STRAIGHT, as well as the dedicated teachers who stayed during and after school hours to look after us. We could not thank you enough for giving us this amazing opportunity that will help benefit kids in Australia with cancer.

Year 12 Book Club Review

Our latest read in the Year 12 book club has been *The Strange Case of Dr. Jekyll and Mr. Hyde* by Robert Louis Stevenson. This fascinating read is the perfect book to dive into on a sluggish winter's day, allowing yourself to get lost in the gothic novella that explores the duality of the human psyche. Published in 1886, this classic has been adapted into Broadway musicals, films and graphic novels, and the term "Jekyll and Hyde" has become synonymous for a person possessing both good and evil personalities. Ultimately, the novel encourages readers to consider the philosophical question, "Are good and evil two unavoidable halves of the human identity that are fundamental in creating a whole being?"

The novel is a great companion read for lovers of Mary Shelley's *Frankenstein* as both texts explore *Worlds of Upheaval* through contextual examination of the age of scientific discovery, while combining an atmosphere of thriller and horror to represent the fears towards humanity shifting due to social and political change - integral qualities of modern literature.

The Year 12 book club will continue this term with discussions about *Life of Pi* by Yann Martel, the original magical-realism adventure novel that the 2012 Academy Award winning film, of the same title, was based on.

Australian School Band and Orchestral

Congratulations to the 150 wind and jazz band members and their conductors for their efforts last weekend representing Manly Campus with success at this festival in the beautiful venue of the Sydney Conservatorium of Music. The directors entered our bands into categories that challenged our students with high level repertoire and intermediate bands competing against senior bands.

Craig and Mark were very happy with all the performances and congratulate you all. Thank you to all who contributed to the success of the weekend: the students, directors Mark and Craig, band committee members and parents.

Advanced Life Photography took photos during the performances and we will advise parents by email how to see and order these photos when we receive this information.

New Band Manager

The band committee are very pleased to announce that Stephanie Stoddard (mother of Sam in CB and SB in Year 8) has accepted the position as band manager and will start next week.

We extend her a very warm welcome.

The band families thank Sarah Dowse for her role as band president and band manager over many years and are pleased to know she is still around to help out when needed.

*****URGENT CALL OUT FOR VOLUNTEERS***
C2SURF FUNDRAISER Sunday 11 August**

We need your help: We currently have around 55 volunteers and still need 35-40 more.

The main fundraiser for band this year is the City to Surf on Sunday, 11 August. The band raises invaluable funds for every volunteer we send to help with bag sorting and bag distribution at Bondi Beach.

The band needs you!

The C2Surf organisers have offered us 100 places to be filled by students, friends and family members. We are able to raise much of our budgeted fundraising for the year in one morning and maintain our good reputation with C2Surf for future fundraising.

Join in this fun and community- spirited morning.

Please register this weekend!

Step One:

See the C2Surf flyer in this newsletter to find out how to register.

Step Two: Important

Contact parent coordinator Monique so she can coordinate numbers, car-pooling, parking and the merit awards lists for the students.

**Call out for
Business Mentors**

Would you like to be a part of an innovative learning program where your expertise develops and supports futures learning skills?

Australian Business Week (ABW) 2019

Monday 25th – Friday 29th November 2019

ABW is an innovative program involving year 10 students from across NBSC campuses learning about business by running their own company, being mentored by a person in business. Each business mentor works with a group of 10-12 students. They inspire and provide business advice and support for the students throughout the week.

The Business Mentor is the most important link in the process of ABW.

Business mentors are the key to this program as they give the students their invaluable insight into the business world.

The business mentor will be attached to a group of participants. Each company will have two mentors – a business and teacher mentor. Throughout the week, as a business mentor you will act as consultants to assist students to operate their business.

You will help students to:

- understand the complexities of their company roles
- make decisions based on information and data
- select personnel needed for the operation of their company
- manage meetings and meet deadlines.

You will act as a facilitator to help them:

- learn how to find their own answers
- discover where to find the materials they need to develop their service
- understand the complexities of operating a business
- develop and market the new product.

The most successful companies become self-managing with your mentorship.

How much time will the business mentor need to commit?

Ideally, the business mentor will be available for the whole week. However, we realise that this is a substantial commitment for some people and therefore the alternative would be a commitment to be available on the first 2 days and the last day of the program.

If you would like to become involved as a business mentor in 2019 or to learn more about ABW please contact:

City to Surf, August 11, 2019

Please help fund raise for Manly Campus bands

Every year the Bands of Manly Campus are invited to volunteer at the annual City to Surf fun run at Bondi Beach's finish line to raise funds for our band programs. Our job is fun, simple, and extremely important. Manly Campus is highly regarded by the organisers for our excellent support.

What we're asked to do

Take the bags belonging to the runners from trucks and place them in numerical order so that when the runners arrive at the finish line we can give the bags back to them.

What we get

Event T-shirt, Morning Tea, Duke of Ed - 4 volunteering hours, School achievement awards for community service (equivalent to 4 x pink merits), Year 10 students 6 hours can go towards your 20 hour volunteering quota, 10kg block of chocolate for the school year with most participants.

How to be involved - *registration date has been extended!*

Please register by 29 July. If you've previously volunteered for a Fairfax event, just click on this link to register for 2019's City to Surf [Login Link](#)

If you haven't volunteered before, register here: [New Registration Link](#)

Once you've registered, contact Monique Pardavi on 0423 803 851 or email moniquepardavi@gmail.com indicating who in your family is participating and where you'll be traveling from so that car pooling and parking can be coordinated.

Location

Near finish line at Bondi Beach

Arrival time: Sunrise (TBC)

Estimated finish time:

11am (due to road closures)

Parking: Limited car parking is available, so car-pooling is a must! If you can bring a car full of people email Monique ASAP- we aim to get you a parking permit at a nearby car park. There are shuttle buses to take us from the car park to the beach.

NEW DATE!! Saturday August 24, 7pm
