Academic Excellence ★ Personal Best ★ Giving Back to the Community

Principal: Ms Kathy O’Sullivan

Deputy Principals: Mr Alex Newcomb
Ms Marisa Carolan

25 June 2021 – Newsletter No.10

From the Principal

Legally Blonde

Congratulations to everyone involved in the musical. This annual event is truly a highlight of our school year at Manly Campus. The musical provides an opportunity to showcase the depth of individual and collective talent of our students, and brings together the community in a way that needs to be seen to be understood. Thank you to the many parents and alumni who provided such valuable support, ensuring the production was a huge success. Thank you to Annetta Verduyn who coordinated a team of parents who created the costumes, Marg Martin and Annie Woods who, assisted by a group of parents, catered for the cast and crew each night. Alumni Ben Mills, Michael Goodyear, Keith Muir, Tom Coy and Yiming Teng whose technical and production expertise ensured the production was of such a high quality and to our rehearsal assistants; Khika Withnell, Tara Dunch, Talia Withnell, Maia Hopf and Neve Morgan. Thank you also to Annie McCubbin, a parent of an ex-student, who provided the drama coaching for our students, taking their performance to the next level.

This wonderful event would not be possible without the passion, enthusiasm, expertise and hard work of our talented teachers; Chloe Woodward, Lucienne Herft and Lanneke Grace.

Principal Awards

Congratulations to all students who were recognised for their academic excellence and personal best at the Principal's Award ceremonies this week. Thank you to Ms Lucienne Herft, Ms Marisa Carolan, Mr Newcomb and our wonderful Year Advisers and office staff for their co-ordination behind the scenes.

See the [attached list of students](#) who received a Principal's Award at the end of *The Weekly Pines*.

NADOIC Week

We held a special assembly on Thursday this week by Zoom to celebrate NAIDOC week. The theme was Heal Country and our first nations students and SRC members met with members of *Reconciliation Australia*, Stephanie Woerde who is a former Manly Campus student and Alana Raymond. They discussed the role of land and the importance of that relationship to all indigenous and non-indigenous people and the opportunity we all have to heal country. The group also discussed the role that tapping into student voice via our first nations students and SRC can play to help the school community to indigenous perspectives, culture and histories. We are excited about continuing our relationship with this organisation so to begin this, we should all think about our favourite place on the Northern Beaches and what fosters our connection to it.

Project Penguin

On Thursday the Project Penguin presentation ceremony was held at Taronga Zoo, celebrating the achievements of over 1000 students involved in the project this year. Our 24 Year 9 students mentored students from Beacon Hill Public School and Brookvale Public School as they worked through the environmental enrichment program, which raises awareness within our local community of the plight of the fairy penguin colonies. Special thanks to Jocelyn Prevett who mentored two groups single handedly from Beacon Hill Public School, one of which made it into the finals Expo Day, Ethan Groves for his reflective speech on being a mentor, and Sophia Roques who spoke on behalf of Manly Campus at

the awards presentation. More details of the day follow in the Year 9 report by Ms J Chandra.

Congratulations to:

- Jack Naylor (Year 10) who, as a member of the Manly Marlins district team, took out the U15 Boys Junior Rugby Union State Championship over the long weekend, with Manly defeating Southern Districts 20-5 in the final.
- Natasha Woodward (Year 10) who competed at the Judo National Championships on the Gold Coast and came 3rd with a bronze medal.
- Eliza Lo Russo (Year 12) who was selected as part of the cohort of playwrights for The Drama Studio and Merrigong Theatre's Young Playwright's Program.

In this regular feature, we like to recognize students who have achieved highly in school and community events, competitions and activities. Demonstrations of the school ethos of academic excellence, personal best and giving back to the community deserve to be recognized. Parents are welcome to phone or email the school any achievements that we may not be aware of, for inclusion in *The Weekly Pines*.

Happy Holidays

Best wishes to all students, parents and staff for a safe and happy winter vacation. We look forward to the return of all students on **Tuesday 13 July**.

Kathy O'Sullivan
Principal

Sport Report

What an incredible term it has been for sport. There have been multiple carnivals at various levels, knockout games, grade sport and the announcement of the winning House.

Congratulations to all our students who have participated and succeeded with exceptional outcomes in all the sporting opportunities that have been provided. See below for some summary results.

School Sport Carnivals and Winning House

House	Swimming	Cross Country	Athletics	Total	Place
Phillip	432	366	1212	2010	1st
Bligh	544	430	929	1903	2nd
Macquarie	526	389	982	1897	3rd
Hunter	568	309	1014	1891	4th

Swimming

Manly Campus placed 2nd overall at the Warringah Zone Championships with 2 Age champions (Cillian McGrath and Christine Ruff), 6 relay teams and over 30 individual students progressing through to the Sydney North Championships, and 4 students progressing further to CHS State championships.

Athletics

Manly again placed 2nd overall at the Warringah Zone Championships. This time it was a very close score as we were only a few points behind Narrabeen Sports High School. There were 6 Age Champions (Nile Sturzaker, Cillian McGrath, Esther Schroeter, Maggie Goodman and Jack Giffin). There were also a number of Warringah Zone

records broken including 17yrs boys 1500m (Logan Campbell); 17yrs girls 1500m (Maggie Goodman); 13yrs boys Discus (Nile Sturzaker); 16yrs boys Javelin (Noah Sturzaker); 16yrs girls Javelin (Zali Currie) and 16yrs girls Discus (Livina Williams). 5 relay teams and 39 individuals progressed through to the Sydney North Championships, which will be held at Sydney Olympic Park in Term 3, Week 2.

Athletics Age Champions

Cross Country

Manly placed 1st at the Warringah Zone Championships with 3 Age Champions (Charlie Kanu, Logan Campbell and Maggie Goodman) and 78 students progressing through to the Sydney North Championships. 2 students achieved Age Champion (Jasper Vajdic & Logan Campbell), with 8 students progressing to CHS State Championships which will be held at Eastern Creek in Term 3, Week 1.

Top left to right: 13Y Boys, 15Y Boys, 17 & 18 Girls

Knockout Sport

The boys open tennis team had a very successful result progressing through to the semi-finals of the CHS Stan Jones Trophy, coming 3rd in the competition.

The junior girls and opens girls played in round 2 of the netball competition, but were unfortunately defeated.

Next Term

We are looking forward to another exciting term of sport, which will include the grade sport finals, selection of new sport options for the 3rd and final round of Wednesday Sport, State Championships the Year 7 gala day and the rescheduled flag gridiron gala day.

All information about sport will be advertised to students through the school daily notices, along with emails and *The Weekly Pines*.

Ms Walker and Mr White
Sport Organisers

Enrichment

The end of Term 2 has been busy with our students involved in a broad range of enrichment and extra-curricular.

Equality Conference @ Sydney Boys High School **Student Report: Eden King, Gina Harrison (Year 11 Legal Studies)**

Last Friday, a group of five students from Year 11 Legal studies along with a few members of the SRC represented the school at the 2021 Sydney Boys High Equality Conference. Over the course of the day, the topics of education equality, equality within the government and equality within schools and the broader community was discussed.

Various speeches were delivered from notable figures such as Dr Pinnington Wilson (Deputy Principal of the school and representative of the Department of Education) and Mehreen Faruqi (Member of the Greens party). Dr Pinnington Wilson shone light on the drastic and shocking gap in education equality between rural and urban Australia. Mahreen brought to light the racism and sexism within our community and government as a Member of the Parliament and as an immigrant from Pakistan. As well as this, inequality and bigotry within our own community was discussed through the lens of World War 2 in coordination with Courage to Care, an equality foundation, who conducted an interview with a survivor of the Holocaust.

Significant emphasis was placed on the roles of 'upstanders' and 'bystanders' within our schools and communities in which we were encouraged to apply the idea of 'upstanding' to inequality within our school. After listening to these guest speakers, various students from each school formed breakout groups to discuss how each school can better implement the achievement of social justice, through committees, student-teacher alliances and student representative councils.

Following the conference, the students aim to implement their learning into establishing a Manly Campus equality committee which will investigate the upholding of social justice within the school.

Project Penguin **Student Report: Juliet Stephens (Year 9)**

The Project Penguin Expo Day presented a satisfying and successful finish to the program. Occurring on June 17th at Taronga Zoo, it brought together everyone involved - including teachers, students, organisers, mentors and official guests - and showcased the achievements of the primary school students and high school mentors. Groups of primary school students selected for their innovative ideas presented a variety of creative and informative stalls during the morning session. This was followed by an exciting presentation ceremony in which various participants and keynote speakers, including James Griffin (MP, Member for Manly), expressed the significance of *Project Penguin* and specific groups and individuals were recognised for their contribution. Overall, the Taronga Zoo Expo Day was an exhilarating celebration of *Project Penguin* and a great way to end a memorable experience.

Dance Ensemble Update

It has been a busy week for our dance ensembles.

Last Friday, Company and Ensemble A performed at Glen Street Theatre, participating in a professional-level film shoot of their routines, to be screened as part of the 2021 Sydney North Cinematic Dance Festival.

On Sunday all 4 Manly Campus ensembles competed at Extreme Eisteddfod. This was our first public performance in over 18 months, and all of the dancers did a fantastic job.

We achieved some exciting results; Company took out 2nd place in the open age contemporary section, and Ensemble B were awarded Highly Commended in the Year 7-9 contemporary section.

Congratulations to all of the dancers for your hard work and impressive performances.

Australian Geography Competition Results

This year 358 students in Year 8-10 participated in the Australian Geography Competition. The following students achieved in the top 1% of their year groups:

Amelie Chan (Yr 8)
Liam Llewellyn (Yr 8)
Michelle Plon (Yr 9)
Alex Coulter (Yr 9)
Samuel Sherlock (Yr 9)
Nathan Prolon (Yr 9)
Ella Maryska (Yr 10)

In addition, 96 students achieved a High Distinction.

Staff Raffle

To acknowledge the hard work of our staff, we held a staff raffle at a special morning tea. Our teachers have worked so hard over the semester as they implement the new Strategic Improvement Plan, adjusted to an influx of activities as COVID restrictions eased, and continue to go above and beyond to engage and support students.

A huge thank you to the many local businesses for their kind and generous donations for the raffle.

Some of our lucky winners

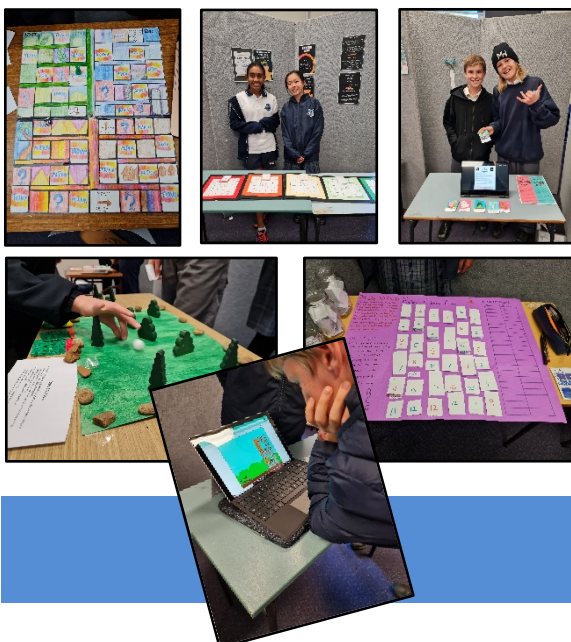

Year 7 Praxis 'Games 4 Good' Arcade

Year 7 students have been hard at work this semester on their Games 4 Good project, which has involved students working in teams to create a game to meet the needs of the community. Students were

challenged to use their collaborative and time management skills as they enhanced their empathy to design a game to benefit a community user, such as an academically gifted primary student, a local toddler, a teenager concerned about climate change or a Tibetan refugee from the local community in Dee Why.

On Friday in Week 8, Year 7 students set up their expo stall complete with a playable prototype and prepared to deliver their pitch to our expert panel, which included Michael Kasumovic (Associate Professor at UNSW and Director of Arludo), Julija McDowell (founder of Tinker Tank) and Anjali Kalambe (UTS Women in Engineering Ambassador). Thank you so much to our panellists who gave up their time to provide our Year 7 students with authentic feedback on their work.

Congratulations to all Year 7 students who so confidently and creatively presented their learning in Praxis. A special congratulations also to the winners of the Judges' Choice and People's Choice Awards.

Praxis, Session 1 Winners

Praxis, Session 2 Winners

Year 7 English - Poetry Incursion

Year 7 English Poetry Incursion

To complement their study of poetry, Year 7 students attended a workshop on Tuesday of Week 8 with guest speaker and slam poet, Miles Merrill. The founder of Word Travels, Miles hails from Chicago and introduced slam poetry to Australia by establishing the Australian Poetry Slam.

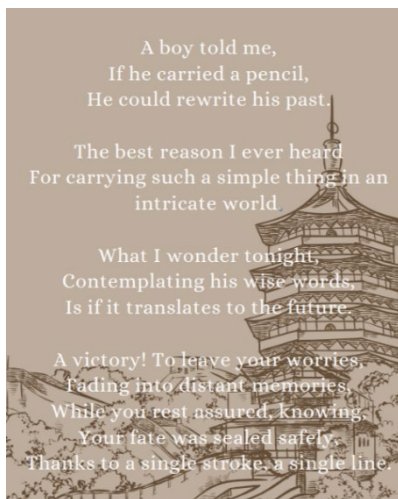

Miles delivered a captivating series of spoken word poems and stories, which included his experiences moving to Australia and confronting the lack of diverse representation in literature, art and film. He also helped our Year 7 students to compose their own spoken word poetry and encouraged

them to write about topics that matter most to them.

The English faculty were excited to discover that we had one of Miles' books in our faculty collection. Miles kindly signed it for us!

Enjoy reading some recent examples of poetry from Ingsel Phelrabtsang and Thomas Stevens (7Y). Students were tasked with emulating the language of a poem, 'The Rider' by Naomi Shihab Nye. Students had to reimagine a motif, and recreate the same mood, tone, and rhythm as the original poem. This skill demonstrates students' ability to think conceptually about a poem's thematic ideas, and make deliberate stylistic choices to convey those ideas.

The Match By Thomas Stevens

A boy told me
If he kept a match in his pocket
He could light up the darkest corner in the world,

The wisest thing I ever heard
In such a bleak world.

What I wonder tonight,
Searching through my own experiences
Is if it translates to emotions.

A victory! To leave the past
Burning to a faint memory
While the flames light up your world,
Flames that have never felt the cold,
No matter how dark the world became.

Year 8 VA Excursion

Last Friday, Year 8 embarked on an excursion to Curl Curl Beach to explore their creative ability. The students spent the day drawing *en plein air* at North and South Curl Curl using a variety of mediums including pencil, charcoal and pen drawings, as well as capturing the views through photography. This unique opportunity to draw outdoors, rather than working from a photograph, enriched the students' understanding of composition and allowed them to further develop and explore the techniques they have learnt in Visual Arts this semester.

These drawings will be used for the beach paintings that Year 8 are starting next term.

Whilst there we received many compliments from the public on how well-behaved Year 8 were and the incredible standard of their artworks.

By Lillian Hamilton

By Chloe Funnell

Year 9 Drama

This term, Year 9 Drama have been studying mask work in theatrical styles over time. This learning culminated in a Commedia del Arte performance in which students had to create their own original piece using the conventions of the style, including making a mask. The mask making was messy but luckily the rain cleared in time for us to use plaster bandages outdoors to flex our creativity. Well done Year 9 Drama.

NAIDOC Week

Year 9 have been studying the topic of Food Security in Geography this year. As part of their study, they have investigated and assessed sustainable food production practices, and explored First Nations practice around utilising native plants.

In classes students had the opportunity to taste snacks of the future from Circle Harvest. Most students thought the Barbeque flavoured crickets and the Saltbush and rosemary flavoured mealworms were much tastier than they had anticipated.

The students were extremely fortunate to have one of the experts in the field of traditional food growing processes join us this week to share his stories and expertise. You can watch the short clip about this company via [Black Duck Foods – An Indigenous Food Story That Connects Us All](#) and read a student's perspective below.

Student report

Chris from [Black Duck Foods](#) came to talk to us Year 9 students about food security and sovereignty in Australia. He showed us videos displaying traditional Aboriginal agriculture practices and how native foods and grains are vital in being able to achieve food security and sovereignty in Australia. As an example he brought in some kangaroo grass for us to try and we thought that it tasted like a nuttier version of Weetbix. He told us how it was a great substitute for meat and had the same amount of protein as a chicken. Year 9 had a fun experience listening to Chris and learning about traditional food and growing practices.

Nihira More (Year 9)

Year 10 Peer Academic Leader Career Planning and Training Workshop

Last week, Year 10 Peer Academic Leaders co-designed an innovative Year 7 Academic program with a careers/life-design twist. The award-winning edu-tech career consultancy *Become Education*, on-boarded the Year 10 students and assisted them in the design of 5 classes which will teach Year 7 the skills to explore, design and navigate their future in a rapidly changing world.

In Term 3 classes, Year 7 will master life design skills and connect what they're learning today to the possibilities they're creating for their future. With the assistance of their Year 10 academic

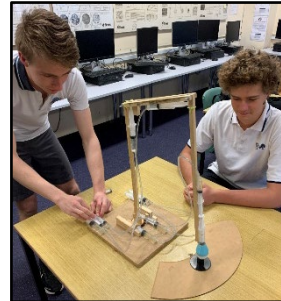

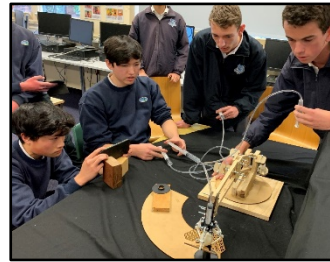

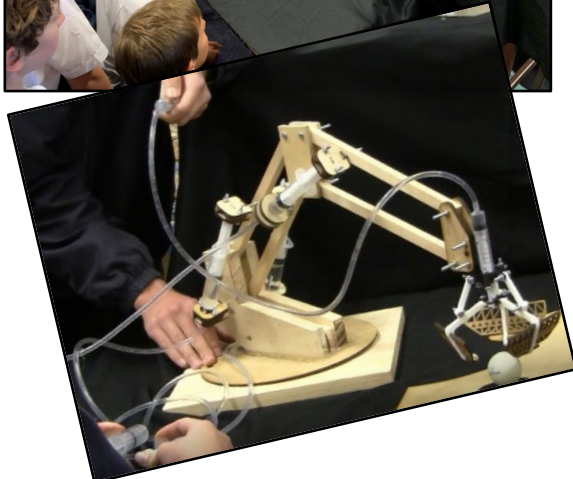

leaders, they will be putting the 'why' into their education and recognising the impact of influence and unawareness on their future decisions.

The program will culminate with the students executing a 'flipped careers expo' in Term 4 on Thursday, 7 October. The Year 10 Peer Academic Leaders will facilitate this expo as well as create a video showcase of the classes and event, in addition to writing, and presenting, a robust report for the Executive on the impact of the program using data collected throughout.

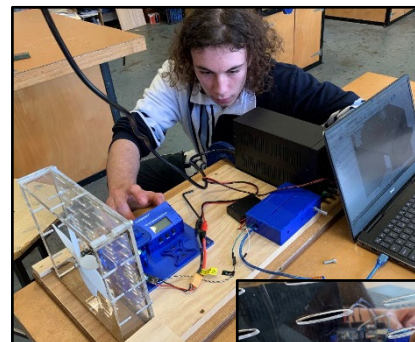

Most excitingly, James Griffin, MP for Manly kindly accepted an invitation to join the Year 10 PALs for lunch to discuss the programs aims. He was so impressed that he is looking forward to visiting again to see the outcome of 'flipped career expo' in Term 4.

Senior Technology Update

Engineering students in Year 11 have finished their second engineering product and report, designing and manufacturing a biomedical arm capable of accurately picking up a ping pong ball and relocating it. Students were highly engaged, creating some outstanding products, and Year 7 were also thrilled to see the test runs.

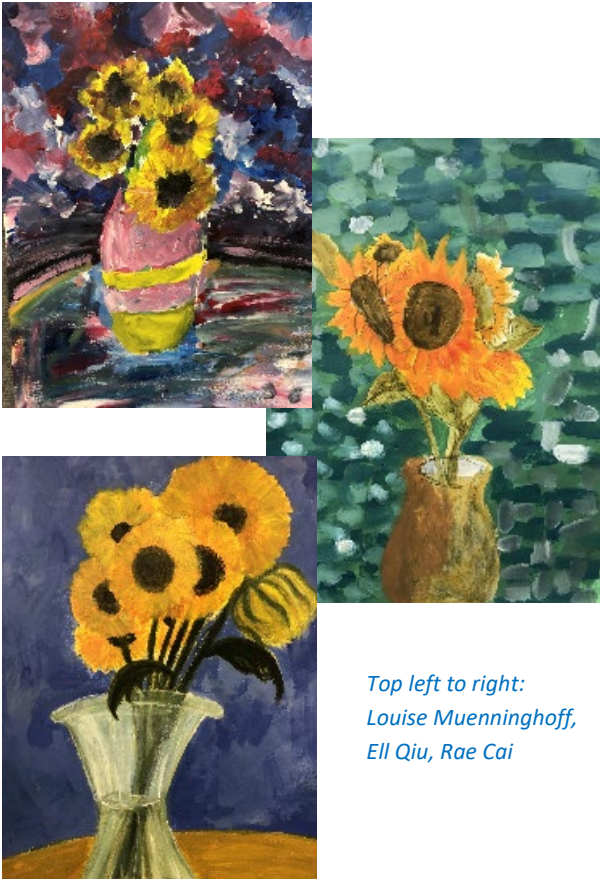

Engineering students in Year 12 also completed an aeronautical project, designing quadcopter blades using Computer Aided Design, 3D printing and a new thrust measurement test rig. Basic principles of lift, thrust and drag were investigated in their quest to produce an optimum blade.

Art Club

Throughout the year Art Club has been enriching students through the exploration of new and interesting mediums.

In Term 1 they were inspired by Van Gogh's sunflower series and spent the term developing our compositions by drawing flowers from life then developing them into an Impressionist style painting. This coincided with the arrival of Van Gogh's 'Sunflowers' to the National Gallery of Australia, which some students had been lucky enough to see in person. Some of the works completed in Art Club were submitted to the *Kids x Van Gogh* competition which invited school-age artists from across Australia to recreate Vincent van Gogh's famous Sunflowers.

*Top left to right:
Louise Muenninghoff,
Ell Qiu, Rae Cai*

Term 2 involved an investigation into the world of printmaking, as the students chose an animal as inspiration for a lino carving. This was a new technique for almost all the students to learn and while lino presented many difficulties, the students produced wonderful and creative prints of their designs.

*Top left to right:
Marlon Leforestier,
Ella Cooper, Lillian
Hamilton*

Art Club is on Tuesday lunch times in room 109, all are welcome.

Year Adviser

Term 2 Reports

Year 7

With another term under their belt, Year 7 have really settled into the swing of things at Manly Campus. It has been wonderful to see them strive for excellence both academically and personally, showing dedication, confidence and resilience by putting their hands up to be involved in all areas of the school community.

Congratulations to all Year 7 students for successfully getting through the arduous process that is NAPLAN.

We started the term with a bang with many Year 7 students attending their first Manly Campus Band Camp. They were officially initiated into the program with the usual band camp shenanigans. It was a terrific opportunity for talented young people to get involved with the older years and make some incredible music, whilst working with industry professionals who provided their invaluable advice and expertise.

Students demonstrated their speed and perseverance at the athletics carnival, with House points earned by all those involved. Those who didn't participate in an event came through with the house spirit and cheered on their peers to achieve outstanding results.

Musical rehearsals and crew workshops continued every weekend throughout Term 2 with many Year 7 students preparing for their debut in a Manly Musical. *Legally Blonde* was a huge success with sell-out crowds. We couldn't have done it without the hard work and dedication of the students who put their hands up to be in the cast, crew and orchestra. Congratulations to all who were involved.

The newly elected team of Year 7 SRC members involved themselves in the preparation of events such as Tim Tam & Jim Jams, Carnation Day and Night of Stars.

Year 7 took part in the *Optus Cyber Safety* workshops where they learned about their digital thumbprint and how to be safe and respectful on the world wide web. They were enriched with invaluable opportunities such as the science zoo excursion and an incursion for History.

Well done to the students on their Praxis presentations. They were required to present their 'Games 4 Good' projects to a panel of expert judges and there were many innovative ideas.

Wishing Year 7 students and families a safe and relaxing holiday. Looking forward to seeing you all nice and refreshed for more fun in Term 3.

**Ms Grace
Year 7 Adviser**

Year 8

As more opportunities opened up in 2021, Year 8 participated with gusto by undertaking something new every week.

To start the term, many entered a variety of events in the Athletics Carnival and continued their Sunday musical rehearsals from 9am to 4pm for the school production of *Legally Blonde*.

Due to COVID restrictions last year, the cohort were unable to participate in NAPLAN. In Week 2 a check in task focusing on numeracy and literacy was completed and gave valuable data to the senior executive on how the students were developing in those key areas of learning.

In Week 3, food technology students presented for Critics Day, with members of the public and lucky teachers judging the creations. The end results looked as good as they tasted.

Students presented sections of their Learning Portfolio in Week 4, which allowed the cohort to reflect on previous chosen exercises and the skills developed in completing these tasks.

In Week 5, Year 8 watched an English incursion of the Bell Shakespeare company, linking to the text studied in class.

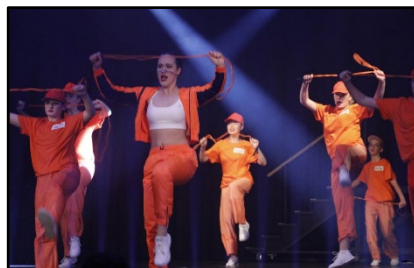

There was the Science competition in Week 6 as well as the Music night, where members of the Vocal Ensemble and Tides of Sound sang for the first time in a performance setting in 2021.

The debating team came together for their first round in Week 7 and the School Musical show week took place throughout Week 8. It was wonderful to see so many participants from Year 8, they put on an amazing show each and every night.

Write a Book in a Day participants conducted their first bake sale in Week 9, raising money for children living with cancer and cancer research.

In Week 10, selected students of the Raise program presented to the mentors and Executive

the small-scale community activity that they have been working on for the second half of the term.

The Principal's Award ceremony was also held this week and I was very proud to read out the names of so many students who received these, highlighting outstanding results and dedication to all subjects.

Wishing all Year 8 students a restful and safe holiday.

Ms Herft
Year 8 Adviser

Year 9

This term, Year 9 has engaged in a variety of activities at school.

Academic achievements have been acknowledged with sixty-four students receiving Principal's Award for their commitment and excellence across multiple learning areas. All G24 students also completed their final NAPLAN which was once again successfully delivered online.

On the sporting field, our students enjoyed participating in the Athletics Carnival. Congratulations to all our age champions and a big

thank you to all the participants and volunteers who made the day successful.

Term 2 has been another big and busy term for G24, with so many students contributing to the many activities and programs on offer at Manly Campus. Our Project Penguin mentors built strong connections with the local primary schools and have successfully completed the program. Similarly, the Year 9 Rise program mentees have formed positive partnership local volunteers.

Several members of G24 have also successfully completed their requirements for the Duke of Edinburgh Awards, through their participation in a two-night camp at Somerset.

Whole school activities including the Tim Tams & Jim Jams fundraiser and school musical 'Legally Blonde' were also embraced with enthusiasm as several Year 9 students were involved in the organisation or production, whilst others supported the event through participation and attendance.

As Term 2 draws to a close, I would like to thank all of G24 for their contributions to making Manly Campus a great school and for consistently choosing to reflect the school values of: academic excellence, personal best and giving back to the community.

Have a safe and relaxing break.

Ms Chandra
Year 9 Adviser

Year 10

As we hit the half way mark of Year 10, with another possible lockdown looming on the horizon, we can reflect on the exceptional achievements of our cohort in so many different fields.

Term 2 kicked off with several of our students participating in a training day for the 'Ethics Olympiad'. Olympiad provides teachers and

students with a creative vehicle for developing skills in communication, critical thinking and respectful discourse while dealing with important ethical issues.

Nine of our most creative and collaborative deep-thinking Year 10 students took part in the Senior Ethics Olympiad via zoom. All students reported that they thoroughly enjoyed the day. They were involved in a series of four heats where they were scored by a global University judging panel according to set criteria. Students were rewarded for clear, concise, respectful discourse around interesting ethical cases such as: The Korean Pop Industrial Complex, The Tiger King, The Ethics of Truth and Public Safety during the COVID-19 Pandemic, Dating After Prison, Who Gets to Be Fashionable? Gaming platforms and shocking speech, (De)funding the Police, Is Elite a Case of Creative Freedom or Muslim Stereotyping? Although our students were not successful in moving through to the next round, the judges commended both NBSC Manly Campus teams for their collaborative teamwork, their innovative and in-depth responses and for providing mature and emotionally appropriate discourse around contemporary issues.

Well done to Toby Cox, Cal Amos, Nena Harmstorf, Shashwat Manish, Ella McAvoy, Felicity Murray, Samuel Stoddard, Ruben Stones and Livinia Williams for representing our school at such an impressive level.

Year 10 Parent Teacher interviews took place this term, where parents and members of our cohort could discuss current progress, achievements and areas for improvement. I was personally very pleased with my Year 10 classes and did not hold back on my praise to the parents.

Workshops 'Tomorrow Man' and 'Tomorrow Woman', took place again this year. Students were able to discuss freely and without judgement, difficult topics including safe behaviour, domestic violence and consent. Although confronting, all students who participated found the day to be extremely valuable.

Year 10 also participated in the ICAS REACH Science Competition online. Feedback acknowledged this was a positive event.

The team from *Become* came to train out Peer Academic Leaders (PALs) in a peer academic session. PALs is a program run by the school to give leadership opportunities to our cohort. Our PALs showed excellent leadership qualities and with this training they can then train our Year 7. They will run 5 sessions on the EAM line and then be responsible for a major project on one of the following: an expo on 7 October, speak to the executives on 12 October, or present a video at the year meeting on 14 October.

Our cohort is now starting thinking about subject selections for their senior years and beyond. Ms Fee, our Careers Advisor organised a Year 10 Subject Selection UAC Parent and Student presentation via zoom. This gave important university entrance information which, although still a few years away, is necessary now, as they may have to choose specific subjects to follow their dream careers. There are a number of other resources available for Year 10 when choosing the right subjects for their senior years. These can be accessed on the Year 10 Careers Google Classroom.

I would like to wish everybody a happy and safe holiday break, and I look forward to seeing you all again next term for the second half of this wonderful journey in Year 10.

Who are we? G23!

Mr Goykovic
Year 10 Adviser

Year 11

Second last term of Year 11 - tick. Only one more term until G22 takes on the role of Year 12. Over the course of the term, the Year 11 cohort have demonstrated their many talents. From sporting achievements, academic excellence, through to acting and dancing abilities as seen in the school musical. Well done on such an action-packed term.

The Life Ready program continued this term, with a presentation from Brent Sanders. This consisted of two gender specific workshops with a frank, open and down-to-earth presentation to the boys examining critical issues such as peer pressure, decision making, self-discipline, respect, motivation, and essential keys required for success. To the girls, a guide to survival in the new millennium, which is a total self-protection programme with a difference. It was centred around knowledge, assertiveness, and basic conflict psychology, with a focus on prevention. Both presentations were extremely well received by Year 11. Thank you to Ms Herft for helping with the organisation.

The RYDA driving safely excursion has been postponed due to continuing COVID restrictions. An update on this will be provided next term.

The design for the G22 Year 12 Jerseys has been finalised. Order forms for these will be forwarded to parents and students very soon. These will need to be returned early next term.

This week I had the pleasure of assisting with the presentation of Semester 1 Year 11 Principal Awards. This is the well-deserved culmination of a whole semester's hard work. Well done to all the recipients.

Wishing everyone has a wonderful and relaxing holiday break. See you next term.

Mr Crooks
Year 11 Adviser

Year 12

The end of Term 2 is a busy time in the Year 12 calendar with students finishing their final assessments and beginning preparation for the Trial Examinations in Term 3 (Starting Friday Week 2 till the end of Week 4). This term has seen many achievements across the Year 12 cohort, which are particularly commendable given their busy academic schedule.

An impressive number of Year 12 students participated in the school musical *Legally Blonde*, which was a huge success. Those lucky enough to

secure a ticket for the sold-out performances would agree that the music, lighting, acting, dance, vocals and set all came together to produce an incredibly uplifting and moving performance. The orchestra was phenomenal and our talented Year 12 musicians in conjunction with Ms Herft and the other orchestra members, are to thank for the magnificent soundtrack.

It was also wonderful to see our dancers and actors grace the stage with their energy and presence. Congratulations to Elsie Loadman, Gemma Cooper, Hannah De Mars, Sonakshi Sharda and Anna Birke for your amazing lead performances in your final year of high school.

The back stage, lighting and tech crew are also to be thanked, as while they may not be seen, without them the production would not occur. I was very proud to watch all of the Year 12 students involved in their final high school musical production. It is an experience that will stay with them for life, as they will forever be part of the Manly Campus musical family. Thank you to Ms Woodward, Ms Herft and Ms Grace for your tireless efforts, energy and time to give our students this fabulous opportunity.

I wish all Year 12 student a safe holiday. While this may be seen more as a 'study break', I hope that students are kind to themselves and do take the time to have a well-earned rest and ensure to mix some fun activities into their busy study schedule.

I look forward to seeing Year 12 in Term 3 and assisting them through their final 'official' term of school.

Warm wishes.

Ms Truong
Year 12 Adviser

BRONZE Award Level

Physical Recreation: Strength
and Conditioning

Skills: Cooking

Voluntary Service: Tour de Cure
office administration

Adventurous Journey: Bronze Qualifying Journey,
Colo River, Wollemi National Park

[The Bronze Adventurous Journey](#)

Day 1 Highlights

- Campsite had toilets and running water Hard
incline and decline
- Easy fire trail to follow for main section along
the ridge
- Many native plants and trees Nice weather -
sunny with clouds so it
- wasn't too hot
- Walking down the mountain was fun because
it was slightly challenging but also a lot easier
than going up
- Nice views of lake and surrounding areas
- Had time to talk with people I wouldn't
normally talk to and became closer to existing
friends
- Swam in the lake Made a fire and cooked
dinner independently

Day 2 Highlights

- First aid scenarios Slightly warmer than Day 1,
but still easy to walk in
- Same flora and fauna - lots of insects, native
plants and trees
- Most of route had paths of some kind - more
rocky
- Walked with other groups and made new
friends

Ella's Reflection

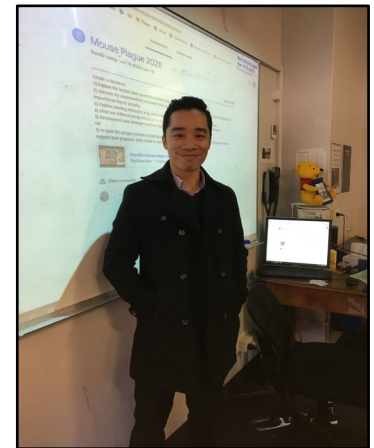

I really enjoyed the hike, as I got closer to people and made new friends. It was challenging enough that I wasn't bored, but it was also achievable. I enjoyed swimming in the lake and messing around with my friends. Some of the most memorable things were just enjoying the scenery,

nature, and my company. I learnt how to read maps and plot routes. The most challenging thing was walking up the first spurs. My advice for someone about to go on the journey would be to not pack as many clothes as you think you'll need but make sure you have enough snacks because you will get hungry. Also don't give up when you're ascending because it will get easier when you flatten out.

SRC Staff Spotlight

Teacher: Mr Leung

How did you decide to get into teaching? And what have you been doing prior to teaching at Manly?

Before I became a teacher, I was working in a bank. I was also

volunteering at my church and from that experience, I found helping young people more rewarding than climbing the corporate ladder, so I trained to be a teacher.

What is your favourite Manly memory?

This one is a hard one to answer because I really can't choose. I'm on my ninth year of teaching at Manly Campus and new 'favourite memories' still being created quite frequently. Whenever a student shows drastic improvement in HSC Economics, whenever a student overcomes anxiety and takes initiative in the SRC, whenever the SRC runs a successful event and makes an impact on a charity, whenever I go on Year 9 camp and get to know a student on a deeper level, a new favourite memory is created. Either I have short memory, or I have a lot to be thankful for at Manly.

I hear you are in the teacher's band, what do you play and when did you start?

I play drums, bass and guitar. But for the teacher's band, I just play or sing whatever they need. In fact, the first 'teacher act' I did was rap 'Fancy' by

Iggy Azalea with Ms Giuffrida in Hollywoodstock (2014).

Do you have any other secret talents or skills that aren't well known to your students?

Not sure if I still have this skill/talent... but I used to breakdance. I can possibly still pull off a few moves.

Who was your favourite teacher in high school and why?

Truth be told, I was quite a problematic student so I didn't get along with my teachers that well. But I suppose I drew inspiration from a few that left an impression, like the Music teacher who was quite socially awkward but used his quiriness to make the lessons memorable; or my Physics teacher who came up with funny phrases to help me memorise formulas; or my Economics/Business teacher who generously spent time outside of class to help me catch up.

What is your favourite animal and are you a cat or dog person?

Favourite animal: Sea turtle, for sure. Alpacas are a close second. I guess I just love how chill they both are.

Cat or dog? Depends. Cat, if I have to take care of it. Dog, if somebody else does.

Do you have any advice for students when they are picking subjects for electives, HSC etc?

Choose subjects that you love and are good at, aim for both. If you love it but aren't good at it, you may end up resenting the subject if you get disappointing results. And if you don't love the subject, you'll find it hard to put in the work and stay good at it. Extra tip: Don't pick subjects purely for scaling. The scaling is simply an equaliser – e.g. high-scaling subjects offer high scaling only because their Band 6s are harder to attain. It won't add much to your ATAR if you're getting a low band in a 'high scaling' subject.

Bright and Quirky Ideas Lab - For parents of twice exceptional children

If you haven't already checked it out, the team at the Bright and Quirky [IdeaLab](#) have a fantastic newsletter and regular sessions with experts to assist us in parenting. It is based in the United States but they run sessions for Sydney time zone. They are affiliated with professional education groups who support the work of our teachers at NBSC Manly Campus.

**Rebecca Stuart
HT Secondary Studies**

Debbie and the Bright & Quirky Team asked parents about the benefits of the idealab:

How do you ease the struggle for your bright and quirky child so they can realize their true potential and thrive?

- *Gaining knowledge from the experts and filling my toolkit*
- *Hearing stories from other members*
- *Getting validation and confidence from coaches that we're on right track, getting help identifying the next right step*
- *Making friends with other members and feeling camaraderie on the journey*
- *Discarding/re-evaluating preconceived parenting notions that no longer serve me*
- *Learning how to come alongside my child, rather than pushing or pulling*
- *Working the action plan. We've made more progress in the last 2 months than the last two years*
- *Recalibrating my expectations and stripping away the stressors*

As a result, these parents have grown in their confidence in terms of the decisions they're making and the path they're choosing, even if it feels like they're "swimming upstream" from the norm.

[Learn more about the IdeaLab and enrol here.](#)

We'd be honoured to help you ease the struggle and help your bright child thrive, even with learning, social or emotional challenges.

Help your bright and quirky child thrive by joining us in the IdeaLab parent learning community. [Summer enrolment closes Friday.](#)

Band Manager Job Position

Bands of Manly Campus (BoMC) are seeking a Manager to implement the Band program. You will be reporting to the Band Executive, have the support of the Band Committee and families and work closely with the school and music department to deliver a wide variety of performances and events each year for over 200 students in thirteen ensembles, under the leadership of five high-calibre Music Directors & Conductors.

More details can be found in the BoMC pages of this newsletter.

Enquiries to Betina Friedeberg, Band President thecoffeys@tpg.com.au or Mel Corner, Band Vice President, andyandmel@gmail.com

Application - CV and cover letter please by Wednesday 30 June 2021 to: andyandmel@gmail.com

Second Hand Uniform Shop

The uniform shop will be open on the first Tuesday and third Thursday of the month from 8:15am-9:30am

**NEXT OPEN: Thursday 15
July 8:15am-9:30am**

COVID safe practices in place, please adhere to the following:

- Check in with the QR code on arrival
- Wear a mask
- Stand 1.5 meters apart while waiting in line
- Only one parent/caregiver with their child are allowed in the uniform shop at a time.

Parents are encouraged to order online where possible. You can place an order by email at

manly2ndhanduniforms@gmail.com

Donations of washed good quality uniforms are most welcome and can be left at the school office.

Proceeds go to the P&C for school improvement projects.

For second hand band blazers (buy & sell) please contact Sarah Cole at sarahcole24@gmail.com

Volunteering in the Canteen

Volunteering in the canteen is a great way to be part of the school community. If you are a parent or carer of a student at NBSC and would like to volunteer, please go to the [canteen roster sign up for Term 3](#).

Band news on the following page...

Happy and safe holidays to all

Thank you to band members, families and band directors for your enthusiasm and dedication to band this term.

Enjoy a very well-deserved and happy holiday.

For all dates and event listed in this report, cancellations and variations may occur with short notice due to COVID. Please always look out for the advice by email and/or the school app prior to an event to find out if there are any changes to arrangements and follow the latest instructions.

Revised date:

Monday 16 August, Hall, 6:30-7:30 pm

Term 3 Band concert for CB, SwB, SB, JJC and PG

This date has been changed from Tuesday 17 August to avoid the clash with 'Write a Book in a Day' ending at 8 pm.

Term 3 Workshop- pupil free day 12 July, Manly Campus- CB, WE, SWO, SE and JO

Please return online permission notes for this ASAP that were circulated this week.

After two weeks' break, this annual workshop will provide very important preparation for the competition the following Sunday 18 July, HSC performances on 19 July and for events being planned for later in Term Three.

Call-sheets have been circulated via band liaisons.

CB 8:30-11:30 am

SE: 8:30-11:30 am

SWO 11:30- 1:30 pm

WE 1:30- 4pm

JO 2-3:30 pm

Those few students in more than one group at a time will attend part of each session.

Australian School Band Festival, Sydney Conservatorium of Music, Sunday 18 July

Please return online permission notes for this ASAP that were circulated this week.

Concert Band, Wind Ensemble and String Ensemble will be representing Manly Campus in the modified version of this annual festival.

Arrival times for band members

Concert Band (CB): 11:20 am

Wind Ensemble (WE): 1:40 pm

String Ensemble (SE): 2:35 pm

Look for call-sheets (to be emailed from liaisons) and permission notes (sent from school emails).

Dress for 2021 will be Performance Blacks (includes band polo)

Performance times are not published but typically take place around 30 minutes after arrival time. Listen for announcements.

Audiences are welcome (subject to the latest COVID advice at the time) and require registration with QR code on entry.

Tickets may be purchased at the door or online at <https://www.trybooking.com/BSHJW>

Intermediate and Junior Band Tours:

Intermediate Tour (WE/BB): Monday 6 September to Thursday 9 September

Junior band tour (CB, SwB, SB): Tuesday 30 November to Friday 3 December.

If COVID restrictions are on our side at the time, the two tours will be bringing music to towns and communities around Batemans Bay and Port Macquarie. Our bookings are able to be cancelled with refunds if Government departments require this at the time. Further information about the tours is being circulated via email this coming week.

To confirm numbers for accommodation and coach bookings, you are asked to please advise your liaison by 12 July if there is some unavoidable reason your child cannot attend their tour.

Musicale, The Independent theatre, North Sydney, Saturday 11 September, 5pm (TBC)

A highlight of the band calendar, this concert showcases senior ensembles and honours our Year 12 members before their final exams.

It will feature SWO, SE, CO and JO.

Band members are required from 12:30pm and the concert start is 5 pm with final times TBC.

Please save the date.

Seeking a new Band Manager

Our Band Manager, Sarah Dowse, is stepping down now that the job of re-establishing band systems, tours and events post the 2020 shutdown is complete. She will always be nearby and remains a big supporter of the program.

We are seeking someone to take over early in Term 3. Please [click here for more information.](#)

If you are interested in the role and would like to find out more, please get in touch with Betina Friedeberg, Band President Thecoffeys@tpg.com.au or Mel Corner, Band Vice President, at andyandmel@gmail.com

Application —CV and cover letter please by Wednesday 30 June 2021.
andyandmel@gmail.com

Thank you Del Driving!

– generous contributor to band fundraising.

For over nine years, Larry Delaney, instructor of Del Driving has very generously donated driving lessons to support the Manly Campus band program. His donation this year equates to a whopping \$1056 of value to the band program for which we are very grateful, especially after a financially difficult 2020.

Buy lessons and donate to the band all at the same time.

Available are 12 vouchers each valued at \$88 (NB half have already sold this week!)

Larry has been a licenced driving instructor for over 15 years and has a current Working with Children Certificate. He has taught a many of the students at Manly Campus. His lessons are ideal for starting off (automatic or manual), for taking up manual part way through their 120 hours and/or for their pre-test.

If any family from the school wishes to purchase one or more of the lesson vouchers, or wants to find out more, please email bandmanagerbomc@gmail.com.

All proceeds will be donated to the band program where they will be used to save for new equipment or an instrument that is needed.

Diary Dates Term 3

Monday 12 July (pupil free day), Workshop day at Manly Campus, CB, WE, SWO, SE and JO

Australian School Band Festival at the Sydney Conservatorium of Music, Sunday 18 July

Band Manager job position

Bands of Manly Campus is seeking a Manager for its Band Program.

Bands of Manly Campus (BoMC) is a school-approved extra-curricular program with around 20 parent committee volunteers. BoMC currently have over 200 students rehearsing each week in thirteen ensembles, under the leadership of five high-calibre Music Directors & Conductors. BoMC plan and deliver a wide variety of performances and events each year, including school events, regional tours and camps, and several fundraising ventures.

The Band Manger will be responsible for implementing the program, reporting to the Band Executive and working closely with the school and music department.

This involves:

- Liaising with school executive, band executive and president, band directors, band committee members, band members and their families and outside suppliers
- Consulting with band directors to develop a rich and engaging program of band events and tours and attending weekly conductors meeting
- Arranging and ensuring the smooth running of events and tours and liaising with the school to ensure Department of Education requirements are met

- Arranging and ensuring the smooth running of annual auditions
- Co-ordinating and chairing the executive and general band committee meetings
- Meeting budget requirements set by the band executive
- Ensuring accurate information in communications to band members and families, performance call sheets, The Weekly Pines, annual Pines Magazine, the Band handbook, annual reports

The job is casual position at an award rate of (\$28.38/hour, for 20 hours/week, for 40 weeks/year).

Apart from meetings at school, the Band Manager would work offsite (e.g. home office), with irregular hours involving weekends and evenings when required.

The successful applicant would ideally be a current member of the Northern Beaches Secondary College Manly Campus school community, or someone with close ties to the school, and must have a Working with Children clearance.

Enquiries to Betina Friedeberg, Band President Thecoffeys@tpg.com.au and Mel Corner, Band Vice President, at andyandmel@gmail.com

Application, CV and cover letter please by Wednesday 30 June 2021 to: andyandmel@gmail.com
